NOTICE

You may have the right to cure the default herein and reinstate the one obligation secured by such Deed of Trust above described. Section 107.080NRS permits certain defaults to be cured upon the payment of the amounts required by that section without requiring payment of that portion of principal and interest which would not be due had no default occurred. Where reinstatement is possible, if the default is not cured within 35 days following the recording and mailing to Trustor or Trustor's successor in interest of this notice, the right of reinstatement will terminate and the property may thereafter be sold.

To determine if reinstatement is possible and the amount, if any, necessary to cure the default, contact the Beneficiary or his successor in interest or Trustee.
