That there was expended on and within the above described claims work and improvements of a value in excess of Twenty-three Thousand, Four Hundred Dollars (\$23,400.00) as the annual labor and improvements required by the laws of the United States and the State of Nevada for the assessment year ending September 1, 1980, such work having been performed between September 1, 1979 and September 25, 1980, having been commenced prior to September 1, 1980 and diligently pursued until completion.

That all of the above claims are owned by Idaho Mining Corporation and form a contiguous group of claims and that the work so performed was done pursuant to a common plan for the development of all of the claims as a group and tended to improve and develop each of the said claims.

That said labor and improvements were performed at the instance and expense of Idaho Mining Corporation, the owner of the said claims, and that the work was performed under the supervision of the undersigned and consisted of drilling, bulldozer work, and road maintenance, and was performed by personnel of Idaho Mining Corporation and Eklund Drilling Co.

That the value of said labor and improvements upon and for the benefit of the above described claims was not less than One Hundred Dollars (\$100.00) for each of the said claims and was made in good faith for the purpose of holding each of the said claims.

W. L. Wilson
