PHOENIX SILVER MINING CO.

Claim on the

Mill Creek

approximately between Mineral Creek, Lode
Mining District, Eureka County, Nev.
Surveyed by

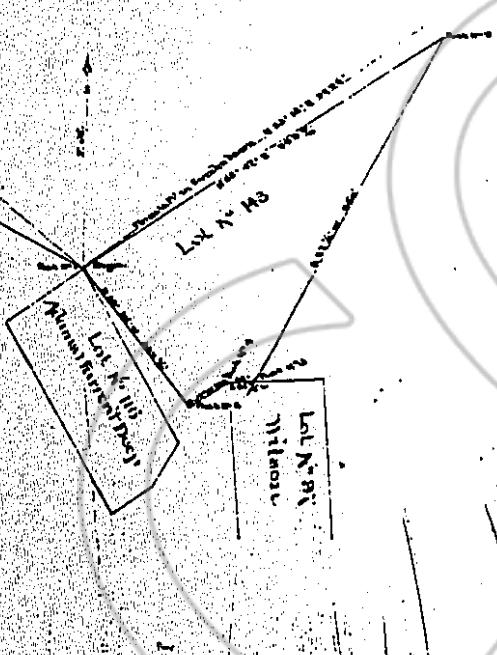

T. S. Ward U. S. Deputy Surveyor,

May 1879

Containing 6 acres.

Scale 1/2 mile to inch.

Variation 45° East.

The original field notes of the survey of the Mill Creek Mining Claim from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mill Creek Mining Claim, as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made thereto to natural objects and permanent monuments, as will perpetuate and fix the location thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, placed thereon by the applicant and grantee, is not less than five hundred dollars, and that said improvements consist of the shaft and concentrator.

And I further certify that this is a correct Plat of said Mill Creek Mining Claim or premises, made in conformity with said original Field Notes of Survey thereof.
