Moreover, this Agreement shall constitute and be deemed an actual grant, assignment, conveyance and delivery of property and rights in such manner and with such force and effect as shall be necessary to effectuate and carry out the intent, purposes and terms of this Agreement.

The parties hereto understand and agree that this Agreement shall be submitted for approval to the Superior Court of Arizona, in and for the County of Maricopa, or any other court of appropriate jurisdiction, in event an action for dissolution is filed and at the sole request of the moving party and with the approval of the Court, this Agreement shall be incorporated by the said Court in the Judgment and Decree of Dissolution, the same as if fully set forth therein. This Agreement is and shall be considered strictly as an agreement settling and adjusting their mutual rights and obligations and their rights respecting property, the same being the free and voluntary

act of each of the parties hereto.

17. It is understood and agreed by and between the parties hereto that failure of either party to insist on a prompt or strict performance of any of the terms, conditions, promises, agreements or covenants herein contained shall not be deemed a waiver of any subsequent breach or default in the terms, conditions, promises, agreements or covenants herein contained.

18. It is understood and agreed by and between the parties hereto that no modifications, alterations or amendments whatsoever of this Agreement shall be binding upon either of the parties hereto unless reduced to writing and subscribed by both of the parties and duly acknowledged.

19. Should any part, clause or provision or condition of this Agreement be held to be void, invalid or inoperative, then it is understood and agreed that such invalidity shall not effect any other part, clause, provision or condition hereof but the remainder of this Agreement shall be as effective as though such part, clause, provision or condition had not been contained herein.

20. It is agreed that there is no other contract or agreement, oral or in writing, existing between the parties hereto relative to the matters herein mentioned and that all agreements and understandings between the parties are embodied in this Agreement; and that this Agreement is entire and complete in itself and is integrated and not a part of any other contract or agreement; that no promises, warranties or representations of any nature or character have been made to induce either party to enter into this Agreement and that the parties hereto have agreed and

they each hereby acknowledge and confess that neither of them has been influenced by the other in the making or execution of this Agreement and that neither of said parties is acting or relying upon any statement, representation or information furnished by the other party with reference to any matter or thing of any kind, nature or character, except as in this Agreement as set forth.

The parties acknowledge that they have been married for a period of time in excess of thirty (30) years and each has agreed to rely and is willing to rely upon the knowledge of the community, joint and separate estates they have derived by reason of their married relationship and each of them agrees that a full and fair disclosure of all property has, in fact, been made over the years of their marital relationship and that any accounting or further disclosure at the present time is unnecessary and is waived. IT IS FURTHER UNDERSTOOD AND AGREED THAT IN THE MATTER OF THE PREPARATION AND EXECUTION OF THIS INSTRUMENT, BOTH PARTIES HAVE HAD OPPORTUNITY TO BE REPRESENTED BY COUNSEL AND THAT THIS AGREEMENT IS MADE AND ENTERED INTO BY AND BETWEEN EACH OF THE PARTIES HERETO OF HIS OR HER OWN FREE WILL AND VOLITION AND WITH FULL KNOWLEDGE OF THE LEGAL EFFECT OF THIS AGREEMENT, AND THAT EACH OF THE PARTIES HAS READ THE WHOLE OF THIS AGREEMENT. This Agreement is to be interpreted and construed according to its plain meaning and not strictly for nor against any party hereto.

21. If any action shall be brought to enforce or interpret this Agreement or for or on account of any breach of this Agreement, the prevailing party shall be entitled to recover from the other party, as part of the prevailing party's costs, a reasonable sum for attorneys fees, the

amount of which shall be fixed by the Court and made a part of any judgment rendered.

22. It is further agreed that all of the terms and provisions of this Agreement shall apply to, bind and be obligatory upon the heirs, executors and administrators, representatives and assigns of each of the parties hereto.
