

## PROOF OF ASSESSMENT WORK

STATE OF UTAH )  
 : ss  
 County of Salt Lake)

AFFIDAVIT

Melvin J. Pack, being first duly sworn according to law deposes and says that he is a citizen of the United States, of age, and resides in West Jordan, Utah. Affiant is an employee of All Minerals Corporation, owner of the below-enuumerated mining claims.

Affiant states that at Least Twenty two Thousand Six Hundred and No/100 (\$22,600.00 ) Dollars worth of labor was performed and improvements made during the assessment year beginning at 12:00 noon of the first day of September, 1980, and ending on 12:00 noon of the first day of September, 1981 upon and for the benefit of the following contiguous claims, being not less than One Hundred (\$100.00) Dollars for each and every claim:

Said mining claims as more particularly described herein are part of a contiguous group of mining claims owned by All Minerals Corporation, as aforesaid. Said work was for the benefit of all of said claims as a part of a common plant of development and tends to improve and permit the development of each of the above named claims for which this Proof of labor is being filed.

Said labor and improvements consisted of:

1. Geophysical Survey
2. Mapping
3. Excavation

At a direct cost of not less than Twenty Two Thousand Six Hundred Dollars (\$22,600.00). In addition to the direct above set out the performance of such labor and improvements included supervision, labor costs and expenses of Three hundred Thirty Six and 09/100 Dollars (\$336.09).

Such expenditure was made at the instance and request of All Minerals Corporation, a Nevada Corporation, the owner of the said claims, for the purpose of complying with the laws of the United States (30 U.S.C. 28) and of the State of Nevada pertaining to annual assessment.

DATED this 11 day of November, 1981.

My Commission Expires:

*Jan. 8, 1984*

TITLE: REPORT ON A GEOLOGICAL AND GEOPHYSICAL SURVEY  
CONDUCTED ON THE NANCY 1 THRU 52, 53 A, B, 54  
THRU 102, 103 THRU 142, 144 A, 155 THRU 160;  
JILL 1 THRU 20 AND PAULA 1 THRU 47 LODE CLAIMS  
FOR THE 1980-1981 ASSESSMENT PERIOD.

This report is in compliance with the Bureau of Land Management Circular No. 2289, "Regulations Pertaining to Mining Claims Under the General Mining Laws of 1872." (As contained in Title 43 of the Code of Federal Regulations). Subpart 3851.2, Inclusion of surveys in assessment work.

The Nancy claims, Numbers 1 thru 52, 53 A,B, 54 thru 142, 144A, 155 thru 160; the Jill claims, Numbers 1 thru 20; and the Paula claims Numbers 1 thru 47, are located in Sections 9,10,11,13,14,15,16,21,22, 23,24,25,27,28,33, & 34, in T 21 N., R 52 E, MDB & M, and in Sections 3 & 4, T 20 N., R 52 E., MDB & M, in Eureka County, Nevada.

The work performed included geological mapping & geophysical work on the general area of the claims. Areas with barite exposures were given special attention; i.e. anomalies were investigated, favorable beds were mapped showing, lateral extent, dip of beds, possible extensions, thickness of beds, faults, etc. Areas were checked for previously unknown barite float and other anomalies. Also, some excavation work was done with a D-8 cat on the Jill #3,5,7 & Paula #1,8,10,23 and 33 claims.

The cost of the work performed on these 226 claims, amounted to more than \$22,600.00 dollars. The work covered much of the area on these 226 claims.

The basic findings of the geological and geophysical survey were that new barite exposures were delineated, along with a greater understanding of the barite geology in the area.

The name, address, and professional background of the persons conducting the work are as follows:

Melvin J. Pack, Senior Geologist, B.S. Geology, University of Utah,

Robert J. Mackenzie, Geologist, B.S. Geology, Wheaton College, Wheaton, Ill; 1974, M.A. Geophysics, University of Wyoming, Laramie, Wyoming, 1977.

Assisted by:

Chris Bailey, Geology student at Brigham Young University,  
Mike Vinson, Geology student at Ricks College,  
Scott Landeen, Student at Brigham Young University.

Date Nov 25, 1981
