August 4, 1982

County Recorder  
Eureka County  
Eureka, Nevada

Notice of Intention  
to hold certain unpatented lode mining claims recorded at the  
Office of County Recorder, Eureka County, Eureka, Nevada as  
follows:

Book: 100, Pages: 126-154  
file Nos. 82738-82767  
NMC 192136-192162

Owned by International Metals & Energy Corporation  
Suite 205, 750 North 200 West  
Provo, Utah 84601

The above claims are held and claimed by owners for the valuable minerals  
contained therein, and the owners intend to continue the development of  
these claims.

The reason that the annual assessment work has not been performed is due to  
the unusually harsh and extended winter conditions in the area, with resulting  
inaccessibility of these claims for purposes of conducting geological and geo-  
physical work as programmed. Certain such activities are being conducted now,  
however, they are far from completion.

Please return a copy of the recorded Notice for filing with the BLM in Reno,  
Nevada. Check in the amount of \$33.00 for recordation is enclosed.

Thank you for your assistance!
