

AFFIDAVIT OF ANNUAL ASSESSMENT WORK
(PROOF OF LABOR)
ON UNPATENTED MINING CLAIMS

TO ALL WHOM IT MAY CONCERN:

The undersigned hereby certifies that it has made expenditures for labor and improvements, as the annual assessment work for the year ending at 12:00 o'clock meridian September 1, 1982, on the following group of claims in Eureka County, Nevada:

<u>Name and Number of Claims</u>	<u>Book</u>	<u>Page</u>	<u>BLM Serial Number</u>
W-1 through W-17 (inclusive)	80	24 through 40 (inclusive)	NMC 145665 through NMC 145681 (inclusive)
W No. 114 through W No. 158 (inclusive)	90	343 through 387 (inclusive)	NMC 181907 through NMC 181951 (inclusive)

The following was performed as the annual assessment work:

- A. Detailed geologic mapping and analysis.
- B. Rock chip sampling.
- C. Chemical analysis of rock chip samples for Ag, Au, As, Sb, Cu, Mo, Pb, and Zn.

The above work was performed on the claims as depicted on the map attached hereto and made a part hereof but affects all of the above claims, such claims being contiguous. The work was commenced on June 19, 1982 and was concluded on July 12, 1982. The total amount spent for the work was \$7,603.12.

The geological and chemical analysis, evaluation and interpretation of the basic data collected during this work reveals that significant gold, silver, base metal, arsenic and antimony anomalies occur in Paleozoic sedimentary rocks. Such mineralization as defined by the geochemical anomalies justifies more extensive development work on each and every one of the aforementioned claims.

The W-1 through W-17 claims are owned by U.S. Minerals Exploration Company. The W No. 114 through W No. 158 are owned by Chevron U.S.A. Inc. The assessment work was performed by Chevron Resources Company, pursuant to the terms of a lease agreement with U.S. Minerals Exploration Company and in its capacity as agent for Chevron U.S.A. Inc. All expenditures were made by Chevron Resources Company.

The field work was performed by Mr. D. Gonzales, Mr. H. L. Grahn, Ms. S. E. Zurenko, and Mr. D. J. Szumigala under the direct supervision of Ms. D. W. Struhsacker whose professional qualifications are as follows:

Mr. D. Gonzales, Geologist (Temporary), Chevron Resources Company, 1746 Cole Blvd., Golden, Colorado 80401 - B.S. in Geology, Fort Lewis College, Durango, Colorado (1982).

Mr. H. L. Grahn, Geologist (Temporary), Chevron Resources Company, 1746 Cole Blvd., Golden, Colorado 80401 - B.S. in Geological Science, University of Washington, Seattle, Washington (1980). Geological work 1981 to present.

Ms. S. E. Zurenko, Geologist, Chevron Resources Company, 1746 Cole Blvd., Golden, Colorado 80401 - B.S. in Geology, Eastern Washington University, (1981). Geological work 1981 to present.

Mr. D. J. Szumigala, Geologist (Temporary), Chevron Resources Company, 1746 Cole Blvd., Golden, Colorado 80401 - B.S. in Geological Engineering, University of Nevada at Reno, (1981). Geological work 1981 to present.

Ms. D. W. Struhsacker, Geologist and Project Manager, Chevron Resources Company, 1746 Cole Blvd., Golden, Colorado 80401 - B.A. in Geology, Wellesley College, Wellesley, Massachusetts (1974), M.S. in Geology, University of Montana, Missoula, Montana (1978). Geological work 1978 to present.

CHEVRON RESOURCES COMPANY,
a division of Chevron Industries, Inc.
agent for Chevron U.S.A. Inc.
