TH #1 Lode Mining Claim.

This is to certify that the above-named claim was located by the undersigned locator on the 22nd day of JULY, 1983. The claim is situated within the NW 1/4 of Section 1 of Township 14N, Range 53E, N.M.D.M., and within the Eureka Mining District, Eureka County, Nevada.

The general course of the lode or vein is NORTH and SOUTH. The locator claims 480 feet along the course of the vein, 430 feet in a NORTH direction and 50 feet in a SOUTH direction from the point of discovery, together with 250 feet on either side of the center of the vein.

Within 20 days after posting notice on the ground, the locator defined the boundaries of the claim as required by law and established monuments, consisting of posts at least four inches in diameter by four-and-one-half feet in length set firmly in the ground, at the point of discovery, at each corner, and at the sideline centers. Each monument is marked (or contains markings) with the name of the claim and designation of the particular monument.

The metes and bounds of this claim is as follows: From a natural object, permanent monument or public survey corner known as NW Corner Sec. 1, T14N R53E, 1200 feet in a SE direction to Corner No. 1 (the NE 1 corner), the point of beginning; thence in a South direction through the East sideline center 1480 feet to Corner No. 3 (the SE 1 corner); thence in a West direction 580 feet to Corner No. 4, (the SW 1 corner); thence in a North direction through the West sideline center 1480 feet to Corner No. 6 (the NW 1 corner); thence in a East direction 580 feet to Corner No. 1, the point of beginning.

The location work, consisting of the making of maps, and the filing of said maps and the payment of the fees required by NRS 517.040, were completed by the date of recordation of this certificate.

TN #37 Lode Mining Claim.

This is to certify that the above-named claim was located by the undersigned locator on the 24TH day of July, 1983. The claim is situated within the SW 1/4 of Section 12, of Township 19 N, Range S3E, N.M.D.M., and within the Eureka Mining District, Eureka County, Nevada.

The general course of the lode or vein is North and South. The locator claims 1480 feet along the course of the vein, 1430 feet in a North direction and 50 feet in a South direction from the point of discovery, together with 300 feet on either side of the center of the vein.

Within 20 days after posting notice on the ground, the locator defined the boundaries of the claim as required by law and established monuments, consisting of posts at least four inches in diameter by four-and-one-half feet in length set firmly in the ground, at the point of discovery, at each corner, and at the sideline centers. Each monument is marked (or contains markings) with the name of the claim and designation of the particular monument.

The metes and bounds of this claim is as follows: From a natural object, permanent monument or public survey corner known as NW Corner Sec. 1 T19N R53E, 6000 feet in a SE direction to Corner No. 1 (the NE corner), the point of beginning; thence in a South direction through the East sideline center 1480 feet to Corner No. 3 (the SE corner); thence in a West direction 580 feet to Corner No. 4, (the SW corner); thence in a North direction through the West sideline center 1480 feet to Corner No. 2 (the NW corner); thence in a East direction 580 feet to Corner No. 1, the point of beginning.

The location work, consisting of the making of maps, and the filing of said maps and the payment of the fees required by NRS 517.040, were completed by the date of recordation of this certificate.

This is to certify that the above-named claim was located by the undersigned locator on the 24 day of July, 1923. The claim is situated within the SW 1/4 of Section 12, 13 of Township 19 N, Range 63 E, 11 M.D.M., and within the Eureka Mining District, Eureka County, Nevada.

The general course of the lode or vein is North and South. The locator claims 1780 feet along the course of the vein, 1430 feet in a South direction and 50 feet in a North direction from the point of discovery, together with 300 feet on either side of the center of the vein.

Within 20 days after posting notice on the ground, the locator defined the boundaries of the claim as required by law and established monuments, consisting of posts at least four inches in diameter by four-and-one-half feet in length set firmly in the ground, at the point of discovery, at each corner, and at the sideline centers. Each monument is marked (or contains markings) with the name of the claim and designation of the particular monument.

The metes and bounds of this claim is as follows: From a natural object, permanent monument or public survey corner known as NW Corner Sec. 1 T19N R53E, 7600 feet in a SE direction to Corner No. 1 (the NE 1 corner), the point of beginning; thence in a South direction through the East sideline center 1780 feet to Corner No. 3 (the SE 1 corner); thence in a West direction 580 feet to Corner No. 4, (the SW 1 corner); thence in a North direction through the West sideline center 1430 feet to Corner No. 2 (the NW 1 corner); thence in a East direction 580 feet to Corner No. 1, the point of beginning.

The location work, consisting of the making of maps, and the filing of said maps and the payment of the fees required by NRS 517.040, were completed by the date of recordation of this certificate.
