Notice is hereby given that Delbert Reese and Harry Price, P.O. Box 1942 Elko, Nevada 89801, on the 11 day of Dec., 1983, amended and located, and hereby amend and locate, in compliance with the mining laws of the United States and the State of Nevada, the above named lode mining claim.

This mining claim is located in Eureka County, Nevada. The claim was originally located on the 21 day of June, 1978, and the Certificate of Location is recorded in Book 64, Page 578, of the Official Records of the Eureka County Recorded, dated JULY 20 1978. A copy of the original Certificate of Location was filed with the State office of the United States Bureau of Land Management in Reno, Nevada, and the claim was assigned serial no. NMC 25019.

Discovery was originally made on the original date of location and on the date of amendment and location described herein. The original Notice of Location was posted on the claim on the original date of location. The Notice of Amendment and Location of Lode Mining claim was posted upon the claim on the date of amendment and location described herein.

The claim is approximately 600 feet wide and 1500 feet long. The locators claim 750 feet in length along the course of said vein or lode in a northwesterly direction from the point of discovery, and 750 feet in length along the course of said vein or lode in a southeasterly direction from the point of discovery, for a total length of approximately 1500 feet, with a width of approximately 300 feet on each side of the center of the vein or lode along the entire length of said claim. The general course of the vein or lode is northwesterly and southeasterly.

The claim is situated all or in part in the following quarter sections of Township 34 North, Range 50 East, SE 1/4 section 36, and Township North, Range East, 1/4 section , M.D.B. & M., of the United States Public Land Survey. The claim is more particularly described as follows; beginning at the discovery monument;

Thence northwesterly 750 feet to the north end center; thence northeasterly approximately 300 feet to the northeast corner; thence southeasterly approximately 750 feet to the east side center; thence southeasterly approximately 750 feet to the southeast corner; thence southwesterly approximately 600 feet to the southwest corner; thence northwesterly approximately 750 feet to the west side center; thence northwesterly approximately 750 feet to the northwest corner; thence northeasterly approximately 300 feet to the north end center.

The northeast corner is marked by a monument inscribed "NE Corner" of the claim; the southeast corner is marked by a monument inscribed "SE Corner" of the claim; the southwest corner is marked by a monument inscribed "SW Corner" of the claim; the northwest corner is marked by a monument inscribed "NW Corner" of the claim; the east side center is marked by a monument inscribed "ESC" of the claim; and, the west side center of the claim is marked by a monument inscribed "WSC" of the claim. The discovery work consisted of the preparation of the mining claim map, which has been done, and a true copy of the mining claim map is recorded herewith. The location work was completed by 12-11, 1983.

This Certificate of Amendment and Location is made pursuant to Chapter 517 of the Nevada Revised Statutes without waiver of any previously acquired rights. It is made for the purpose of correcting any defects or errors in the original location and/or for the purpose of appropriating under the applicable mining laws all ground and mineral deposits within the boundaries described above, and for the purpose of asserting continuous possession and/or the performance of not less than \$100.00 worth of labor or improvements as required by Federal Law and the laws of the State of Nevada and notice that there has been no abandonment of said lode mining claim. This document is intended as an Amended Certificate of Location and an original Certificate of Location if necessary.

Dated this _____ day of 12-11, 1983.
