Effective January 1, 1984

This Exhibit identifies documents under which Grantor owns and holds for oil and gas exploration and production purposes an interest in the land described. The omission from this Exhibit of a reference to a pertinent title document shall not affect the intent and purpose of the Conveyance and Assignment to convey title to the Grantee of all of Grantor's right, title and interest in lands presently held by Grantor for oil and gas exploration and production purposes.

Lands are described in the Exhibit as being situated in a "Parish" (Louisiana), or in a "Recording District" (Alaska), or in a "County" (all other states).

The recording data set out for a document refers to the Volume and Page of the appropriate set of records in which such a document is recorded in the County or Parish or Recording District, or refers to the Entry or File number assigned to such document in the records of such County or Parish or Recording District.
