RECORDER'S STAMP

Note 1: This Affidavit or Statement of Annual Assessment work must be filed within 60 days after the performance of labor or making of improvements.

Note 2: "Each locator shall file two copies of a map prepared in accordance with NRS 517.030 with the county recorder in which the claim is located not later than September 1, 1972." NRS 517.230, Subsection 3.

Geologic Survey of GP 1-5 Lode Claims

for IMCO Services, a division of Halliburton Company

by J. Klinge

December 8, 1983

The following report and accompanying geologic map will serve as assessment work for the 1983-84 assessment year on the GP claim group. The claims are located in the NW1/4 Section 30 T23N R52E, Eureka County, Nevada. Information as required by Public Law 85-876 (Act of September 2, 1958; 72 Stat. 1701) is described below.

1. Location of work performed in relation to point of discovery and boundaries of the claim:

A geologic map has been prepared illustrating the lithologies in and surrounding the claim group.

2. Type of work, extent, and cost:

Work consisted of geologic mapping, drafting and report preparation. The extent of the work exceeds the claim area. Total cost of the survey is worth more than \$500.00.

3. Results of the survey:

Geologic mapping has identified lithologic units hosting mineralization on the claims.

4. Name, address, and professional background of person(s) conducting the work:

John Klinge, Geologist
c/o IMCO Services, a division of Halliburton Company
P. O. Box 1657
Battle Mountain, Nevada 89820
B. S. degree in geology, New Mexico Institute of Mining and Technology
and 7 years professional experience
