

Correction Deed of Trust

THIS DEED OF TRUST, made the 13th day of July, 1984, between PNC AMERICA, INC. ("PNCA"), a Delaware corporation, hereinafter called "Grantor," and FRONTIER TITLE INSURANCE COMPANY, a corporation, hereinafter called "Trustee," and BARRINGER RESOURCES INC. ("BRI"), a Delaware corporation, hereinafter called "Beneficiary,"

WITNESSETH:

WHEREAS, Grantor is indebted to Beneficiary in the sum of \$533,595.75 (U.S.) in connection with the Joint Venture, and has agreed and by these presents does agree to pay said Beneficiary the same with interest thereon according to the terms of a certain promissory note of even date herewith, executed and delivered thereof by Grantor to Beneficiary.

NOW, THEREFORE, Grantor, for the purpose of securing the payment of said promissory note and principal and interest and other amounts set forth herein, grants unto the Trustee an undivided twenty-five percent (25%) interest in and to those certain unpatented mining claims situate, lying and being in the County of Eureka, State of Nevada, and more particularly described in Schedule A attached hereto.

Together with all and singular the tenements, hereditaments and appurtenances thereunto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues and profits thereof, also together with all and singular the mines, minerals, lodes and veins within the lines of said claims, and their dips and spurs and all dumps, plants, fixtures, improvements, privileges and appurtenances thereunto in anywise belonging.

Grantor expressly covenants and agrees to pay all reconveyance fees charged by the aforesaid trustee at the time of payment of the indebtedness secured hereby.

The following covenants and being Covenant No. 1; Covenant No. 3; Covenant No. 4, the lesser of 20% and 4% above the publicly announced floating prime rate of the First Interstate Bank of Denver, N.A.; Covenant No. 5; Covenant No. 6; Covenant No. 7, 10%; and Covenant No. 9 of Nevada Revised Statutes 107.030 are hereby adopted and made part of this deed of trust.

In the event a default should occur hereunder, Beneficiary shall be entitled at any time at its option (consistent with the

rights of any other holder of an undivided interest in said claims), to enter upon and take possession of said unpatented mining claims, or any part thereof, and to do or perform such acts of repair or protection as may be necessary or proper to conserve the value thereof, and to rent or lease the same or any part thereof for such rental, term and upon such conditions as their judgment may dictate, and to collect and receive the rents, issues and profits thereof, which said rents, issues and profits, present and future, are hereby assigned to Beneficiary as further security, but which assignment Beneficiary agree not to enforce so long as Grantor is not in default hereunder.

This deed of trust is executed by Grantor and accepted by Beneficiary with the understanding and acknowledgement that the Beneficiary owns, through the Joint Venture, an interest in and to the same properties described in Schedule A, which separate interest in such properties is not subject to this deed of trust.

This deed of trust is further executed by Grantor and accepted by Beneficiary with the understanding and upon the express condition that upon Grantor's default and subsequent statutory Trustee proceeding, only the Grantor's twenty-five percent (25%) interest in and to said property, as described in Schedule A will be subject to such proceeding and sale.

This deed of trust is executed by Grantor and accepted by Beneficiary with the understanding and upon the express condition that if Grantor should make default in the performance by him of any of the covenants and agreements herein set forth, then and in that event the full amount of the principal indebtedness secured hereby shall become wholly due and payable, at the option of Beneficiary, notwithstanding the fact that the same would not otherwise be due according to the terms of the promissory note secured hereby.

The Grantor and Beneficiary agree that that certain Note executed by Grantor of even date herewith, for the sum of \$533,595.75, and that certain Transfer Agreement between PNCA, BRI and the Joint Venture, of even date herewith, are both hereby incorporated and made a part of this deed of trust.

Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Grantor, Beneficiary or Trustee shall be a party unless brought by Trustee.

This deed of trust is made to correct and replace a deed of trust of even date herewith which was recorded without an acknowledgment.

IN WITNESS WHEREOF, Grantor has executed these presents the day and year first above written.
