Hill 24	NMC-141902		

and that the claim map prepared in accordance with NRS

517.030 showing said claims is filed as Document No. 72673

in the Eureka, County, Nevada Records; and that between

the 1st day of September, A.D. 1983 and the 1st day of

September, A.D. 1984, at least Four Thousand Seven Hundred

Dollars (\$ 4,700 ) worth of labor or improvements or both

were made and performed upon said mining claims; and that such work and improvements were made and performed by and at the expense of Western States Minerals Corporation, the Operator of said mining claims, on behalf of Western States Minerals Corporation and Pan Cana Industries, Inc., the Owner of said mining claims, for the purpose of complying with the laws of the United States pertaining to assessment or annual work; and that Pam Bloss and Gustin Corporation

were the men or contractors employed by said Western States Minerals Corporation who labored upon said claims, did said work and improvements on July 1 thru August 31, 1984; the labor performed or improvements made consisted of soil sampling, road construction, drilling, and sampling and analysis

And that the foregoing work was performed and is intended to hold the above-described mining claims during the annual assessment period ending at noon, September 1, 1984.
