

All claims are 1500' by 600' with side centers set at 750' from the end lines. There are 7 posts at least 4" in diameter and 4.5' long set 1' in the ground, one for the discovery monument, one each for the four corners and two side centers as prescribed by N.R.S. Section 517.030.

The location of the section lines and 1/4 section lines on this map are approximate. They were projected using G.L.O. plats, B.L.M. protraction diagrams and section corners found on the U.S.G.S. Roberts Creek Mountain 15' quadrangle maps.
