LEASE TERMS

Sec. 1. Rentals—Rentals shall be paid to proper office of lessor in advance of each lease year.

Annual rental rates per acre or fraction thereof are:

- (a) Simultaneous noncompetitive lease, \$1.00 for the first 5 years, thereafter, \$3.00;

(b) Regular noncompetitive leass (c) Competitive lease, \$2.00; or (d) Other, see attachment.

If all or part of a noncompetitive leasehold is determined to be within a structure or a favorable petroleum geological province, annual rental shall become \$2.00, beginning with the lease year following notice of such determination. However, a lease that would otherwise be subject to rental of norm than \$2.00 shall continue to be subject to the higher rental.

If this lease or a pursuen thereof is committed to an approved cooperative or unit plan which includes a well capable of producing leased resources, and the plan contains a provision for allocation of production, royalties shall be paid on the production allocated to this lease. However, annual rentals shall continue to be due at the rate specified in (a), (b), (c), or (d) for those lands not within a participating area.

Failure to pay annual rental, if due, on or before the anniversary date of this lease (or next flicial working day if office is closed) shall automatically terminate this lease by operation of official working day if office is closed) shall automatically terminate this lease by operation of law, Remals may be waived, reduced, or suspended by the Secretary upon a sufficient showing

- Sec. 2. Royalties—Royalties shall be paid to proper office of lessor. Royalties shall be co-puted in accordance with regulations on production removed or sold. Royalty rates are:
 - (a) Simultaneous noncompetitive lease, 12% %.
 - (b) Regular noncompetitive lease, 12% 5; apetitive lease, see attachment; o
 - (d) Other, see attachment.

Lessor reserves the right to specify whether royalty is to be paid in value or in kind, and the right to establish reasonable minimum values on products after giving lessee notice and an opportunity to be heard. When paid in value, royalues shall be due and payable on the last day of the month following the month in which production occurred. When paid in kind, production shall be delivered, unless otherwise agreed to by lessor, in merchantable condition on the premises where produced without cost to lessor. Lesses shall not be required to hold such production in storage beyond the last day of the month following the month in which production occurred, nor shall lessee be held fiable for loss or destruction of rayalty oil or other products. in storage from causes beyond the reasonable control of lessee.

Minimum royalty shall be due for any lease year after discovery in which royalty payments aggregate fets than \$1.00 per acre. Lessee shall pay such difference at end of fease year. This minimum royalty may be waived, suspended, or reduced, and the above royalty rates may be reduced, for all or portions of this lease if the Secretary determines that such action is necessary.

to encourage the greatest ultimate recovery of the leased resources, or is otherwise justified.

An interest charge shall be assessed on late royalty payments or undergovernent in accordance with the Federal Oil and Gas Royalty Management Act of 1982 (FOGRMA) (96 Sat. 2447). Leaves shall be table for royalty payments on oil and gas loss or wasted from a lease size when such loss or waste is due to regligence on the part of the operator, or due to the failure to comply with any rule, regulation, order, or citation issued under FOGRMA or the feating authority.

- Sec. 3. Bonds-Lessee shall file and maintain any bond required under regulations
- Sec. 4. Diligence, rate of development, unititation, and drainage—Lessee shall exercise reasonable diligence in developing and producing, and shall prevent unnecessary damage to loss of, or waste of leased revources. Lessor reserves tight to specify rates of development and production in the public interest and to require lessee to subscribe to a cooperative or unit plan, within 30 days of notice, if deemed necessary for proper development and operation of area, field, or pool embracing these leased lands. Lessee shall drill and produce wells necessary to protect leased lands from drainage or pay compensators royalty for drainage in amount determined by lessor.
- determined by lessor.

 Sec. 5. Documents, evidence, and inspection—Lesses shall file with proper office of lessor, not later than 30 days after effective date thereof, any contract or evidence of other arrangement for sale or disposal of production. At such times and in such form as lessor may prescribe, lesses shall furnish detailed statements showing amounts and quality of all products removed and sold, proceeds therefrom, and amount used for production purposes or unavoidably lost. Lesses may be required to provide plats and schematic diagrams showing development work and improvements, and reports with respect to parties is interest, espenditures, and depreciation costs. In the form prescribed by lessor, lesses shall keep a daily drilling record, a log, information on well surveys and tests, and a record of subsurface investigations and furnish copies to lessor when required. Lesses shall keep open at all reasonable times for inspection by any authorized officer of lessor, the leased permises and all wells, improvements, machinery, and fixures thereon, and all books, accounts, mays, and records relative to operations, surveys, or investigations on or in the leased lands. Lesses shall maintain copies of all contracts, sales agreements, accounting records, and documentation such as billings, invoices, or similar documentation that

supports costs claimed as menufacturing, preparation, and/or transportation casts. All such records shall be maintained in leaser's accounting offices for future ands by leasor. Leaser shall maintain required records for 6 years after they are generated or, if an audit or investigation is underway, until released of the obligation to maintain such records by lessor.

During existence of this lease, information obtained under this section shall be closed to expection by the public in accordance with the Freedom of Information Act (5 U.S.C. 552). impacts on by the public in accordance with the reason of a innovation of (3.0.5.1.521).

See, 6. Conduct of operations—Leases shall conduct operations in a memory that minimizes adverse impacts to the land, air, and water, to cultural, biological, visual, and other resources, and to other land uses or users. Leases shall take reasonable measures deemed necessary by leason to accomplish the intent of this section. To the extent consistent with lease rights agrated, such measures may include, but are not limited to, modification to rising or design of facilities, timing of operations, and specification of interim and final reclamation measures. Leason reserves the right to continue existing uses and to authorize future uses upon or in the leased leads, including the approval of casements or rights-of-ways. Such uses shall be conditioned so as to prevent unnecessary or unreasonable interference with rights of lessee.

Prior to dissurbing the surface of the leased lands, leases shall contact leasor to be apprised of procedures to be followed and modifications or reclamation measures that may be necessary. Areas to be disturbed may require inventories or special studies to determine the extent of impacts to other resources. Leases may be required to complete minor inventories or short term pacts at their restorters. Leaser may be required to complete minor instantial to scan terms tend to pecial studies under guidelines provided by lessor. If in the conduct of operations, threatened or endangered species, objects of historic or scientific interest, or substantial unanticipated en-vironmental effects are observed, lessee thall immediately contact lessor. Lessee shall cause any operations that would result in the destruction of such species or objects.

- Sec. 7. Mining operations—To the extent that impacts from mining operations would be substantially different or greater than those associated with normal drilling operations, lessor reserves the right to deny approval of such operations.
- Sec. 8. Extraction of helium—Lessor reserves the option of extracting or having extracted helium from gas production in a manner specified and by means provided by lessor at no expense or loss to lessee or owner of the gas. Lessee shall include in any creatract or sale of gas the provisions of this section.
- Sec. 9. Damages to property—Lessee shall pay lessor for damage to lessor's improve. and shall save and hold lessor harmless from all claims for damage or harm to persons or prop-erty as a result of lease operations.
- Sec. 10. Protection of diverse interests and equal opportunity—Lessee shall; pay when due all taxes legally assessed and levied under laws of the State or the United States; accord all employees complete freedom of purchase; pay all wages at least twice each month in lawful money of the United States; maintain a safe working environment in accordance with standard industry practices; and take measures necessary to protect the health and safety of the public.

Lessor reserves the right to ensure that production is sold at reasonable prices and to prevent monopoly. If lessee operates a pipeline, or owns controlling interest in a pipeline or a company operating a pipeline, which may be operated accessible to oil derived from these leased lands, lessee shall comply with section 28 of the Mineral Leasing Act of 1920.

Lessee shall comply with Executive Order No. 11246 of September 24, 1965, as amended.

and regulations and relevant orders of the Secretary of Labor issued pursuant thereto. Neither lessee nor lessee's subcontractors shall maintain segregated facilities.

- Sec. 11. Transfer of lease interests and relinquishment of lease-As require lessee shall file with lessor any assignment or other transfer of an interest in this lesse. Lessee may relinquish this lesse or any legal subdivision by filing in the proper office a written relinquishment, which shall be effective as of the date of filing, subject to the communed obligation of the lessee and surery to pay all accrued rentals and royables.
- Sec. 12. Delivery of premises—At such time as all or portions of this lease are returned to lessor, lessee shall place affected wells in condition for suspension or abandonment, reclaim the land as specified by lessor and, within a reasonable period of time, remove equipment and improvements not deemed necessary by lessor for preservation of producible wells.
- Sec. 13. Proceedings in case of default—if feasest fails to comply with any provisions of this lease, and the noncompliance continues for 30 days after written notice thereof, this lease shall be subject to cancellation. Leasee shall also be subject to applicable provisions and penalties of FOGRMA (96 Sott. 2447). However, if this lease includes fand known to contain valuable deposits of leased resources, it may be cancelled only by judicial proceedings. This provision shall not be construed to prevent the exercise by lessor of any other legal and equitable remedy, including snaiver of the default. Any such remedy or waiver shall not prevent later cancellation for the same default occurring at any other time.
- Sec. 14. Heirs and successors-in-interest-Each obligation of this leave shall extend to and be binding upon, and every benefit hereof shall insire to the heirs, executors, administrators, s cessors, beneficiaries, or assignoes of the respective parties hereto.
