and that the claim map prepared in accordance with NRS

517.030 showing said claims is filed as Document No. 56138 & 84256

in the Eureka County, Nevada Records; and that between

the 1st day of September, A.D. 1984 and the 1st day of

September, A.D. 1985, at least Two Thousand Seven Hundred

Dollars (\$ 2,700) worth of labor or improvements or both

624 RV-2

were made and performed upon said mining claims; and that such work and improvements were made and performed by and at the expense of Western States Minerals Corporation, the Operator of said mining claims, on behalf of Pan Cana Industries, Inc. and Western States Minerals Corporation, the Owner of said mining claims, for the purpose of complying with the laws of the United States pertaining to assessment or annual work; and that C. Sulfrian, P. Bloss, B. Listerud, K. Nielson and Hackworth Drilling

were the men or contractors employed by said Western States Minerals Corporation who labored upon said claims, did said work and improvements on September 3 thru November 30, 1984; the labor performed or improvements made consisted of soil sampling, VLF survey, mapping, drilling, sampling, and analysis

And that the foregoing work was performed and is intended to hold the above-described mining claims during the annual assessment period ending at noon, September 1, 1985.
