ASSIGNMENT AND ASSUMPTION AGREEMENT

KNOW ALL MEN BY THESE PRESENTS: THAT CHEVRON U.S.A. INC., a California corporation formerly known as CHEVRON OIL COMPANY (hereinafter called "Assignor"), grants, conveys, and assigns to CHEVRON GEOTHERMAL COMPANY OF CALIFORNIA, a Delaware corporation, (hereinafter called "Assignee") as a contribution to capital, subject to the terms, covenants, conditions and provisions hereinafter set forth all of Assignor's right, title and interest in those certain agreements and permits as more particularly described in Exhibit "A" attached hereto and those certain geothermal leases and related instruments covering lands situated in Eureka County and Lander County, Nevada, as more particularly described in Exhibit "B" attached hereto (said agreements and permits and said geothermal leases and related instruments being hereinafter collectively called the "Assigned Agreements"), together with all wells, pipelines and related facilities or interests therein owned by Assignor, situated on the lands included in said geothermal leases and related instruments.

Assignee hereby accepts the aforesaid assignment by Assignor and assumes all of those duties and obligations on the part of Assignor to be hereafter performed under the Assigned Agreements. Assignee shall indemnify, hold harmless and defend Assignor from and against any and all claims, damages, loss, liability and obligation hereafter arising under the Assigned Agreements due to the exercise by Assignee, its successors or assigns, of any rights thereunder, or the default or failure to perform by Assignee, its successors or assigns, with respect to any duty or obligation thereunder, including, without limitation, all obligations as to the payment of rent, minimum annual advance royalties, earned royalties, taxes and surface damages and every other obligation on the part of the Assignor to be performed under the Assigned Agreements which arises on or after the date hereof.
