That all of said mining claims are owned by ASARCO Incorporated, the mailing address for which is P.O. Box 5747, Tucson, Arizona 85703, that between September 1, 1984 and August 9, 1985 in excess of \$7,300 worth of work and improvements were done and performed for the benefit of the afore-mentioned claims. Work and improvements consisted of a VLF survey and collection of soil samples for mercury analyses by J.R. Porter and E.W. Perkins under the direction of J.R. Montgomery, Chief Geophysicist, ASARCO Incorporated, 3422 South 700 West, Salt Lake City, Utah 84119.

Said labor was performed and improvements made at the expense of ASARCO Incorporated for the benefit of each and all of said mining claims comprising said contiguous group as part of a general plan of exploration, improvements, and development, and they tend to explore, improve, and develop each and all of said mining claims. The amount expended for and the value of said labor and improvements is more than One Hundred Dollars (\$100.00) for each of the mining claims and at least said amount was allocated to each of the mining claims. Said expenditure was made in good faith for the purpose of exploring, improving, and developing said

contiguous group of mining claims, and was intended as annual labor and improvements for each and all of the above described unpatented lode mining claims for the assessment year ending at 12:00 o'clock Meridian, September 1, 1985.
