located in Sections 3, and 10, Township 15 North, Range 49 East, in Eureka County, Nevada owned by Robert E. Warren and Wayne Hague of 704 West Fifth St. Carson City, Nevada 89701, for the purpose of holding said claims.

Said labor was performed or improvements made by Gregory B. Gintoff a consulting geologist of Reno, Nevada between the dates of 1 September 1984 and 31 August 1985, and consisted of geochemical and geological surveys. Geochemical analysis was conducted by Western Testing Labs. 1275 Kleppe Lane Sparks, Nevada 89431.

The results of these surveys indicate a widespread geochemical anomaly, possibly indicative of mineralization which warrants further investigation.

Dated this 28 day of October 1985.
