SURVEYOR'S CERTIFICATE

We, Mark C. Boge, RLS No. 6196, State of Nevada and Paul N. Scherbel, RLS No. 6805, State of Nevada, do hereby certify that:

1. We are employed by Carlin Gold Mining Company, et al. and Western States Minerals Corp., et al. respectively.
2. This plat is a true and accurate representation of boundary monuments found and set during a survey made in the fall of 1985.
3. The survey was made under our supervision and the monuments are sufficient for the retracement of this survey.
4. This record of survey plat is filed in compliance with Nevada Revised Statutes, Chapter 625.330 thru 625.350 inclusive.

NOTES

1. The Basis of Bearings for this survey is the line between the RLS 1404 brass cap monument found marked as the SW corner of section 30, T.36N., R.50E. and the RLS 1404 brass cap monument found marked as the NW corner of section 30, T.36N., R.50E. The bearing assigned to this line is N.0°04'09"E., the same as indicated on map, file No. 54489, Official Records, Office of Recorder, Elko County, Nevada.
2. The survey represented hereon was performed August 22, 24, 26, 28, Sept. 13, 14, Nov. 20, 21, 1985.
3. Respective of the range line used as the Basis of Bearings, the government section lines are not defined hereon due to lack of evidence for the original positions. The settlement line has no relationship with or coincidence to the government section lines.
4. The settlement line delineated hereon is the result of an agreement relative to mining intrests. Carlin Gold Mining Company and Western States Minerals Corp. authorize the filing of this record of survey as further clarification and evidence of a legal agreement made between them. Reference is hereby made to that memorandum of agreement as to be recorded by the parties in the official records at the Elko County Recorders' Office, Elko, Nevada for a thorough account on the meaning and purpose of this settlement line.
