NOTICE OF CORRECTION TO  
AMENDED CERTIFICATE OF LOCATION OF  
CERTAIN JASPER MINING CLAIMS

THIS NOTICE is hereby submitted by Atlas Precious Metals, Inc., a Nevada corporation, whose address is P.O. Box 1207, Moab, Utah 84532 ("Atlas"), with respect to the correct date of location regarding certain unpatented lode mining claims known as the Jasper Claims located in Sections 22, 23, 26, 27, 28, 33, 34 and 35, T22N, R49E, MDB&M, Eureka County, Nevada.

Atlas previously filed for record in Eureka County, Nevada certain Amended Certificates of Location for Jasper Claim Nos. 273, 275, 277, 279-281, 283, 281A, 282A, 285, 287, 289, 313-320, 316A, 322, 323, 358, 360 and 362-364, inclusive. These Amended Certificates of Location each reference the "location date" of the subject mining claim, as well as the recording information regarding the original location certificate for that claim. Atlas had intended to maintain the location date as stated in the original location certificates; however, in each of the above-referenced Amended Certificates of Location, the stated location date is incorrect as the result of a clerical error.

Atlas therefore wishes to confirm the correct location date for the above listed Jasper Claims and correct the public record with regard to such location date, all in accordance with Exhibit A hereto. The correct Date of Location for each of the aforementioned Jasper Claims is designated as the Corrected Date of Location in Exhibit A. Notice is hereby given that the Corrected Date of Location as listed in Exhibit A replaces the

stated "location date" now set forth in the Amended Certificates of Location for such Jasper Claims for any and all purposes whatsoever.

Dated, effective as of March 24, 1986.
