1. This Assignment is made subject to overriding royalties, production payments, net profits obligations, carried working interests, and other payments out of or with respect to production which are of record, to the extent that said royalties, payments, interests, or obligations burden production from the lease acreage; and each of the Assignees hereby assumes and agrees to pay, perform, or carry, as the case may be, a share of said royalties, payments, interests, or obligations proportionate to its share in the working interest in the lease acreage.

2. This Assignment is made subject to all the terms and express and implied covenants and conditions of the above described lease.

3. This Assignment is made without warranty of any kind.

4. The terms, covenants and conditions hereof shall be binding upon, and shall inure to the benefit of, Assignor and Assignees and their respective successors and assigns; and such terms, covenants and conditions shall be covenants running with the land above described, the lease acreage herein assigned and with each transfer or assignment of said land or lease acreage.

5. This Assignment is given in accord with and subject to the "Exploration Agreement and Operating Agreement" made between the parties hereto, dated to be effective September 1, 1978, and covering the Pine Valley Area in Eureka and Elko Counties, Nevada.
