The definitive Bonds of the W Series may be issued in the form of Bonds engraved, printed or lithographed on steel engraved borders.

The person in whose name any Bond of the W Series is registered at the close of business on any record date (as hereinbelow defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Bond of the W Series upon any transfer or exchange thereof (including any exchange effected as an incident to a partial redemption thereof) subsequent to the record date and prior to such interest payment date, except that, if and to the extent that the Company shall default in the payment of the interest due on such interest payment date, then the registered holders of Bonds of the W Series on such record date shall have no further right to or claim in respect of such defaulted interest as such registered holders on such record date, and the persons entitled to receive payment of any defaulted interest thereafter payable or paid on any Bonds of the W Series shall be the registered holders of such Bonds of the W Series on the record

date for payment of such defaulted interest. The term "record date" as used in this §1.02, and in the form of the Bonds of the W Series, with respect to any interest payment date applicable to the Bonds of the W Series, shall mean the December 15 next preceding a January 1 interest payment date or the June 15 next preceding a July 1 interest payment date, as the case may be, or such record date established for defaulted interest as hereinafter provided.

In case of failure by the Company to pay any interest when due, the claim for such interest shall be deemed to have been transferred by transfer of any Bond of the W Series registered on the Bond register for the Bonds of the W Series and the Company, by not less than 10 days written notice to bondholders, may fix a subsequent record date, not more than 15 days prior to the date fixed for the payment of such interest, for determination of holders entitled to payment of such interest. Such provision for establishment of a subsequent record date, however, shall in no way affect the right of bondholders or of the Trustee consequent on any default.

Every Bond of the W Series shall be dated as provided in §2.08 of the Original Indenture as modified by §2.03 of the Twelfth Supplemental Indenture, except that, so long as there is no existing default in the payment of interest on the Bonds of the W Series, all Bonds of the W Series authenticated by the Trustee between the record date for any interest payment date and such interest payment date shall be dated such interest payment date and shall bear interest from such interest payment date; provided, however, that if and to the extent that the Company shall default in the payment of the interest due on such interest payment date, then any such Bond of the W Series shall bear interest from the January 1 or July 1, as the case may be, to which interest has been paid, unless such interest payment date is January 1, 1987, in which case such Bond shall bear interest from July 1, 1986.

Any notice affecting or relating to the Bonds of the W Series required or permitted to be given under the Indenture may be given by mailing the same by first class mail, postage prepaid, to the holders of record at the date of mailing at their respective addresses as the same appear on the Bond register for the Bonds of the W Series. The certificate of the Trustee that such mailing has been effected shall be conclusive evidence of compliance with the requirements of this §1.02 and §16.08 of the Original Indenture as modified by §2.07 of the Twelfth Supplemental Indenture, whether or not any holder receives such notice.

As permitted by the provisions of §2.06 of the Original Indenture and upon payment at the option of the Company of a

sum sufficient to reimburse it for any stamp tax or other governmental charge as provided in said §2.06, Bonds of the W Series may be exchanged for other registered Bonds of the W Series of different authorized denominations of like aggregate principal amount. Notwithstanding the provisions of said §2.06, no further sum, other than the sum sufficient to reimburse the Company for such stamp taxes or other governmental charges, shall be required to be paid upon any exchange of Bonds of the W Series or upon any transfer thereof.

Neither the Company nor the Trustee shall be required to make transfers or exchanges of Bonds of the W Series for a period of 10 days next preceding any designation of Bonds of the W Series to be redeemed, and neither the Company nor the Trustee shall be required to make transfers or exchanges of Bonds designated in whole for redemption or that part of any Bond designated in part for redemption.

The Trustee hereunder shall, by virtue of its office as such Trustee, be the Registrar and Transfer Agent of the Company for the purpose of registering and transferring Bonds of the W Series, and shall maintain a Bond register for the Bonds of the W Series.

§1.03. Redemption Provisions for Bonds of the W Series. The Bonds of the W Series shall be subject to redemption prior to maturity as a whole at any time or in part from time to time,

(a) at the option of the Company upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth under the heading "Regular Redemption Price" in the tabulation in the form of the Bonds of the W Series set forth in §1.07 of this Twenty-fifth Supplemental Indenture; provided, however, that no such redemption shall be made prior to July 1, 1991, (except in connection with any consolidation or merger with any corporation other than an affiliate of the Company in which the Company shall not be the surviving corporation, or transfer or sale of all or substantially all of the property of the Company to any corporation other than an affiliate of the Company), directly or indirectly as a part of, or in anticipation of, the incurring of any indebtedness by the Company if such indebtedness has an effective interest rate or cost (computed in accordance with generally accepted financial practice) less than the effective interest rate or cost of the Bonds of the W Series; and

(b) either (i) through operation of the sinking and improvement fund for the Bonds of the W Series provided for in §1.04 of this Twenty-fifth Supplemental Indenture, or

(ii) through the application of cash received by the Trustees if all or substantially all of the properties used by the Company in the conduct of certain classes of business thereof are sold, purchased or taken, as provided in §6.05 of the Original Indenture, upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth in said tabulation under the heading "Special Redemption Price";

together in any case with interest accrued on such principal amount to the date fixed for redemption, upon not less than thirty (30) days nor more than ninety (90) days notice given as provided in Article 4 and §16.08 of the Original Indenture as respectively modified by §2.06 and §2.07 of the Twelfth Supplemental Indenture.

§1.04. Sinking and Improvement Fund for Bonds of the W Series. As a sinking and improvement fund for the benefit of the Bonds of the W Series, the Company covenants that it will, subject to the provisions hereinafter set forth in this Section, on or before June 30 in each year, beginning with the year 1988 and continuing to and including the year 2016, pay to the Trustee a sum equal to the lowest multiple of \$1,000 which exceeds (or is equal to) one and three-quarters per centum (1 3/4%) of the greatest aggregate principal amount of the Bonds of the W Series theretofore outstanding at any one time prior to the May 15 next preceding such June 30, after deducting from said greatest aggregate principal amount the sum of the following (a) the aggregate principal amount of Bonds of the W Series theretofore purchased or redeemed by the application of the proceeds of property released from the lien of the Indenture, sold, purchased or taken pursuant to the provisions of Article 6 of the Original Indenture, and (b) the aggregate principal amount of Bonds of the W Series made the basis of the withdrawal of such proceeds pursuant to Article 7 of the Original Indenture.

The payments and the dates upon which payments are required for the sinking and improvement fund as above provided are in this §1.04 referred to as "sinking fund payments" and "sinking fund payment dates", respectively.

The Company shall have the right, subject to conditions herein contained, to satisfy any sinking fund payment in whole or in part by

(a) delivering to the Trustee for the sinking and improvement fund on or prior to the sinking fund payment date Bonds of the W Series theretofore issued and then outstanding;

(b) relinquishing, for the period during which any Bonds of the W Series shall remain outstanding, upon compliance with the provisions set forth below in this §1.04, the right to use for any purpose under the Indenture (i) a net amount of additional property established by additional property certificates filed with the Trustee pursuant to §3.04 (B) of the Original Indenture as modified by §1.05 of the Twentieth Supplemental Indenture, not theretofore funded, and/or (ii) Bonds retired as evidenced to the Trustee pursuant to §3.05 (B) of the Original Indenture, and not theretofore funded, which net amount of additional property referred to in (i) above and the Bonds referred to in (ii) above shall thereupon become funded within the meaning of §1.01 (cc) (6) of the Original Indenture, so long as any Bonds of the W Series remain outstanding, provided that when no Bonds of the W Series shall be outstanding all such relinquishment shall cease to be in effect and any net amount of additional property and Bonds which so become funded shall cease to be funded and shall be deemed to be not theretofore funded for any other use under the Indenture, notwithstanding any other provision contained in the Indenture;

(c) redeeming Bonds of the W Series, not theretofore funded, within twelve months prior to the current sinking fund payment date at the Special Redemption Price provided for in §1.03 of this Twenty-fifth Supplemental Indenture in anticipation of the current sinking fund payment; and

(d) redeeming Bonds of the W Series, not theretofore funded, at any time at the Regular Redemption Price provided for in §1.03 of this Twenty-fifth Supplemental Indenture in anticipation of future sinking fund payments.

Bonds of the W Series delivered to the Trustee pursuant to Clause (a) above, retired Bonds of any series the right to the use of which is relinquished pursuant to Clause (b)(ii) above, and Bonds of the W Series redeemed as provided in Clauses (c) and (d) above, shall be treated as a credit on account of any such sinking fund payment at the principal amount of such Bonds to the extent so used; and any net amount of additional property the right to the use of which is relinquished pursuant to Clause (b) (i) above shall be so credited at 60% of the amount of such net amount of additional property to the extent so used.

The Company shall file with the Trustee on or before the May 15 next preceding any sinking fund payment date a certificate of the Company setting forth the methods, if any, referred to in Clauses (a), (b), (c) and (d) above, by which the Company proposes to satisfy such sinking fund payment. Unless the Company files such a certificate on or before the time so re-

quired, the sinking fund payment shall be made entirely in cash, or, if the certificate so filed shows that such sinking fund payment is not to be satisfied in whole by one or more of the above methods enumerated in Clauses (a) to (d), inclusive, the balance of the sinking fund payment shall be made in cash.

All Bonds of the W Series delivered to the Trustee and credited against any sinking fund payment for such series and all such Bonds redeemed by operation of, or the redemption of which has been made the basis of a credit against, and retired Bonds of any series the right to the use of which, and any net amount of additional property the right to the use of which, has been relinquished as a basis for a credit against, this sinking and improvement fund and credited against any sinking fund payment, shall be deemed to be thereupon funded, so long as any Bonds of the W Series are outstanding.

Forthwith after the May 15 preceding each sinking fund payment date on which the Company will be required to make to the Trustee a payment in cash for the sinking and improvement fund, the Trustee shall proceed to select for redemption from the Bonds of the W Series, in the manner provided in Article 4 of the Original Indenture, as modified by §2.05 of the Twelfth Supplemental Indenture, a principal amount of Bonds of the W Series equal to the aggregate principal amount of Bonds redeemable with such cash payment and, in the name of the Company, shall give notice as required by the provisions of §1.03 of this Twenty-fifth Supplemental Indenture of the redemption for the sinking and improvement fund on the then next ensuing July 1 of the Bonds so selected. On or before the sinking fund payment date next preceding such July 1, the Company shall pay to the Trustee the cash payment required by this Section, plus the amount of all premiums, if any, and interest accrued and payable on the Bonds to be redeemed by the application of such cash payment, and the money so paid shall be applied by the Trustee to the redemption of such Bonds. The Company shall also deliver to the Trustee with the filing of any certificate of the Company heretofore provided for in this Section, or not later than the next succeeding sinking fund payment date, any Bonds specified in said Clause (a) of this Section. In the event any credit is being taken pursuant to Clause (b) of this Section, the Trustee shall be furnished with the following:

(1) A statement of the Company by which it relinquishes, for the period during which any Bonds of the W Series shall remain outstanding under the Indenture, the right to use for any purpose under the Indenture (i) a stated net amount of additional property, not theretofore funded, equal to 10/6ths of a stated principal amount of Bonds, and established by an additional property certifi-

cate or certificates filed with the Trustee pursuant to §3.04 (B) of the Original Indenture as modified by §1.05 of the Twentieth Supplemental Indenture, and/or (ii) a stated principal amount of Bonds retired as evidenced to the Trustee pursuant to §3.05 (B) of the Original Indenture, not theretofore funded. In establishing Bonds and/or a net amount of additional property for use pursuant to this §1.04, the Company need not file any documents required by the provisions of §3.02 of the Original Indenture, but such statement shall set forth statements which would be required by Subdivision (a) of §3.02 of the Original Indenture, in connection with an application for the authentication and delivery of Bonds pursuant thereto, subject to appropriate changes in language to show that the purpose is the relinquishment of the right to have authenticated a specified principal amount of Bonds, and not authentication.

(2) The documents and other things required to be furnished the Trustee by the provisions of §3.04 (B) of the Original Indenture as modified by §1.05 of the Twentieth Supplemental Indenture and/or §3.05 (B) of the Original Indenture (other than those required by §3.02 of the Original Indenture) if any, not theretofore furnished.

(3) A resolution of the Board of Directors authorizing the relinquishment which is being effected by such statement.

The Company shall pay to the Trustee an amount equal to the interest and premium, if any, on the Bonds of the W Series to be redeemed for this sinking and improvement fund as provided in this §1.04 and upon request of the Trustee from time to time, will also pay to the Trustee an amount equal to the cost of giving notice of redemption of such Bonds of the W Series and any other expense of operation of such fund, the intention being that such fund shall not be charged for interest, premium and such expenses.

§1.05. Restrictions on Payment of Dividends on Common Stock. Notwithstanding the provision of §1.03 of Article 1 of the Nineteenth Supplemental Indenture that the provisions of said Section 1.03 shall be in force and effect only so long as there are outstanding any Bonds of any series issued before the date of said Nineteenth Supplemental Indenture, the Company hereby covenants that the covenants made by the Company in said §1.03 of said Article 1 of said Nineteenth Supplemental Indenture shall also continue so long as any Bonds of the W Series shall remain outstanding.

§1.06. Minimum Provision for Depreciation. So long as any Bonds of the W Series shall remain outstanding, the term "minimum provision for depreciation" shall have the meaning set forth in §1.01(ii) of the Indenture as inserted by §1.01 of the Nineteenth Supplemental Indenture.

§1.07. Form of Bonds of the W Series. The Bonds of the W Series and the Trustee's authentication certificate to be executed on the Bonds of said series shall be substantially in the forms following, respectively:

[FORM OF REVERSE OF BOND OF THE W SERIES]

This bond is one of the bonds of a series (herein sometimes referred to as the "Bonds of the W Series") of an authorized issue of bonds of the Company, known as First Mortgage Bonds, not limited as to maximum aggregate principal amount except as otherwise provided in the Indenture hereinafter mentioned, all issued or issuable in one or more series (which several series may be of different denominations, dates and tenor) under and equally secured (except insofar as a sinking fund established in accordance with the provisions of said Indenture may afford

additional security for the bonds of any specific series) by an Indenture of Mortgage dated as of December 1, 1940, duly executed and delivered by the Company's predecessor, Sierra Pacific Power Company, a Maine corporation, and duly assumed by the Company by means of the Tenth Supplemental Indenture hereinafter mentioned, to The New England Trust Company (now Bank of New England, National Association by succession, herein sometimes called the "Trustee"), and Leo W. Huegle (now Gerald R. Wheeler by succession), as Trustees, as supplemented and modified by the First Supplemental Indenture, dated as of August 1, 1947, by the Second Supplemental Indenture, dated as of April 1, 1948, by the Ninth Supplemental Indenture, dated as of June 1, 1964, by the Tenth Supplemental Indenture, dated as of March 31, 1965, by the Twelfth Supplemental Indenture, dated as of July 1, 1967, by the Fourteenth Supplemental Indenture, dated as of November 1, 1972, by the Fifteenth Supplemental Indenture, dated as of May 1, 1974, by the Seventeenth Supplemental Indenture, dated as of July 1, 1976, by the Eighteenth Supplemental Indenture, dated as of August 1, 1977, by the Nineteenth Supplemental Indenture, dated as of April 1, 1978, and by the Twentieth Supplemental Indenture, dated as of October 1, 1978, and as supplemented by all other indentures supplemental thereto including a Twenty-fifth Supplemental Indenture, dated as of July 1, 1986, executed and delivered by the Company (or executed and delivered by its predecessor and duly assumed by the Company) to said Trustees, to which Indenture of Mortgage and all indentures supplemental thereto (herein sometimes collectively called the "Indenture") reference is hereby made for a description of the property mortgaged and pledged as security for said bonds, the rights and remedies and limitations on such rights and remedies of the registered owner of this bond in regard thereto, the terms and conditions upon which said bonds are secured thereby, the terms and conditions upon which additional bonds and coupons may be issued thereunder and the rights, immunities and obligations of the Trustees under said Indenture; but neither the foregoing reference to said Indenture, nor any provision of this bond or of said Indenture, shall affect or impair the obligation of the Company, which is absolute, unconditional and unalterable, to pay at the maturity herein provided the principal of and premium, if any, and interest on this bond as herein provided.

Said Indenture, among other things, provides that no bondholder or bondholders may institute any suit, action or proceeding for the collection of this bond, or claim for interest thereon, or to enforce the lien of said Indenture, if and to the extent that the institution or prosecution thereof or the entry of a judgment or a decree therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of said Indenture upon any property subject thereto.

The Bonds of the W Series are subject to redemption prior to maturity as a whole at any time, or in part from time to time, (a) at the option of the Company upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth in the tabulation below under the heading "Regular Redemption Price" (provided, however, that such right of redemption prior to July 1, 1991 shall be limited as provided in said Twenty-fifth Supplemental Indenture); and (b) by operation of the sinking and improvement fund provided for in the Twenty-fifth Supplemental Indenture and (in the instances provided in the Indenture) by application of cash received by the Trustees if all or substantially all of the properties used by the Company in the conduct of certain classes of business thereof are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, upon payment of the applicable percentage of the called principal amount thereof during the respective periods set forth in the tabulation below under the heading "Special Redemption Price":

together in any case with interest accrued on said principal amount to the date fixed for redemption; upon prior notice given by first class mail, postage prepaid, to the holder of record of each bond affected not less than thirty (30) days nor more than ninety (90) days prior to the redemption date and subject to all other conditions and provisions of the Indenture.

If this bond or any portion thereof (One Thousand Dollars or any multiple thereof) is duly designated for redemption, if payment of the principal hereof or of such portion with accrued interest and premium, if any, is provided for, and if notice of such redemption shall have been duly given, provided for or waived, all as specified in the Indenture, this bond or such portion shall cease to be entitled to the lien of the Indenture from and after the date such payment and notice are irrevocably so provided for and shall cease to bear interest from and after the date fixed for redemption.

In the event of the selection for redemption of a portion only of the principal of this bond, payment of the redemption price will be made only (a) upon presentation of this bond for notation hereon of such payment of the portion of the principal of this bond so called for redemption, or (b) upon surrender of this bond in exchange for a bond or bonds (of authorized denominations of the same series) for the unredeemed balance of the principal amount of this bond. In the event of the redemption of this bond in whole, payment of the redemption price will be made only upon surrender of this bond.

The bonds of this series are entitled to the benefit of the sinking and improvement fund for bonds of this series provided for in said Twenty-fifth Supplemental Indenture.

To the extent permitted and as provided in said Indenture, modifications or alterations of said Indenture, or any indenture supplemental thereto, and of the bonds issued thereunder and of the rights and obligations of the Company and the rights of the bearers or registered owners of the bonds and coupons, if any, may be made with the consent of the Company and with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding, and unless all of the bonds then outstanding under said Indenture are affected in the same manner and to the same extent by such modification or alteration, with the written approvals or consents of the bearers or registered owners of not less than seventy-five per centum (75%) in principal amount of the bonds of each series

outstanding, provided, however, that no such alteration or modification shall, without the written approval of or consent of the bearer or registered owner of any bond affected thereby, (a) impair or affect the right of such bearer or registered owner to receive payment of the principal of and interest on such bond, on or after the respective due dates expressed in such bond, or to institute suit for the enforcement of any such payment on or after such respective dates, except that the holders of not less than seventy-five per centum (75%) in principal amount of the bonds outstanding may consent on behalf of the bearers or registered owners of all of the bonds to the postponement of any interest payment for a period of not exceeding three (3) years from its due date, or (b) deprive any bearer or registered owner of the bonds of a lien on the mortgaged and pledged property, or (c) reduce the percentage of the principal amount of the bonds upon the consent of which modifications may be effected as aforesaid.

The Company and the Trustee and any paying agent may deem and treat the person in whose name this bond shall be registered upon the bond register for the Bonds of the W Series as the absolute owner of such bond for the purpose of receiving payment of or on account of the principal of and interest on this bond and for all other purposes, whether or not this bond be overdue, and neither the Company nor the Trustee nor any paying agent shall be affected by any notice to the contrary; and all such payments so made to such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon this bond to the extent of the sum or sums so paid.

This bond is transferable by the registered owner hereof in person or by his duly authorized attorney, at the principal corporate trust office in Boston, Massachusetts of the Trustee, upon surrender of this bond for cancellation and upon payment, if the Company shall so require, of a sum sufficient to reimburse the Company for any stamp tax or other governmental charge incident thereto, and thereupon a new registered bond of the same series of like principal amount will be issued to the transferee in exchange therefor.

The registered owner of this bond at his option may surrender the same for cancellation at said office and receive in exchange therefor the same aggregate principal amount of registered bonds of the same series but of other authorized denominations upon payment, if the Company shall so require, of a sum sufficient to reimburse the Company for any stamp tax or other governmental charge incident thereto, and subject to the terms and conditions set forth in the Indenture.

Neither the Company nor the Trustee shall be required to make transfers or exchanges of bonds of this series for a period of ten days next preceding any designation of bonds of said series to be redeemed, and neither the Company nor the Trustee shall be required to make transfers or exchanges of any bonds designated in whole for redemption or that part of any bond designated in part for redemption. Subject to the provisions of the Twenty-fifth Supplemental Indenture, if this bond is surrendered for any transfer or exchange between the record date for any regular interest payment date and such interest payment date, the new bond will be dated such interest payment date and the Twenty-fifth Supplemental Indenture provides that in the event of any default in payment of the interest due on such payment date, such interest shall not be payable to the holder of the bond on the original record date but shall be paid to the registered holder of such bond on the subsequent record date established for payment of such defaulted interest.

In case an event of default as defined in said Indenture shall occur, the principal of this bond may become or be declared due and payable before maturity in the manner and with the effect provided in said Indenture. The holders, however, of certain specified percentages of the bonds at the time outstanding, including in certain cases specified percentages of bonds of particular series, may in the cases, to the extent and under the conditions provided in said Indenture, waive defaults thereunder and the consequences of such defaults.

In case all or substantially all of the electric properties of the Company are sold to or taken through the exercise of the right of eminent domain or the right to purchase by any municipal or governmental body or agency, the principal of this bond will, upon receipt by the Company of payment or compensation, become due and payable before maturity at the principal amount thereof and accrued interest thereon, all as provided in said Indenture.

It is part of the contract herein contained that each registered owner hereof by the acceptance hereof waives all right of recourse to any personal liability of any incorporator, stockholder, officer or director, past, present or future, of the Company, as such, or of any predecessor or successor corporation, howsoever arising, for the collection of any indebtedness hereunder; and as a part of the consideration for the issue hereof releases from all such liability each such incorporator, stockholder, officer or director, all as provided in said Indenture.
