

AMENDED CERTIFICATE OF LOCATION

THIS IS TO CERTIFY that the undersigned has amended, located and claimed and by these presents does amend, locate and claim by right of original discovery and location in compliance with the General Mining Laws of May 10, 1872, as amended, and with the laws of the State of Nevada, and with local customs, laws and regulations, 1500 feet along the vein or lode thereof, together with 300 feet on each side of the center of said vein at the surface and all veins, lodes, ledges or deposits and surface ground within the boundary lines of said claim.

With respect to this Amended Certificate of Location, the following facts are presented:

1. The name of the claim is Bazza No. 2.
2. The name of the locator is Western States Minerals JV 1
whose post office address is P.O. Box 29
Elko, Nevada 89801.
3. The number of linear feet claimed in length along the course of the vein from the point of discovery is 10 feet in a southerly direction and 1490 feet in a northerly direction, together with 300 feet on each side of the center of the vein or lode for the entire length of the claim.
4. The general course of the lode or vein, as near as may be, is northerly and southerly.
5. This claim is the same lode or vein originally located by Sun Tide Corporation on May 2, 1966, and is the same claim as that covered by the Notice of Location filed of record on not recorded, in Book , Page and is the same as that covered by the Certificate of Location filed of record on July 25, 1966 in Book 11, Page 220, in the records of Eureka County, Nevada.
6. Said mining claim is located in Section 24, Township 36 N., Range 49 E., M.D.B. & M., in Eureka County, State of Nevada.
7. Said claim is situated in the Lynn Mining District, Eureka County, State of Nevada. The location monument of said claim is situated approximately in the southeast 1/4 of the southeast 1/4 of section 24, T. 36 N., R. 49 E., M.D.B. & M.

8. The original location or discovery work consisted of making the mining claim map as provided in Nevada Revised Statutes 517.040, which map was filed on August 29, 1972 as Entry No. 56315 in the records of Pureka County, State of Nevada.
9. The location monument, corners and sideline centers are each posts at least 4 inches in diameter by 4½ feet in length set 1 foot in the ground. The claim boundaries are more specifically described as follows: beginning at the location monument of said mining claim, thence

southerly	10	feet to the center of the end line, point of origin; thence

10. This Amended Certificate of Location is made for the purpose of appropriating under the mining law all ground within the boundaries herein defined and of correcting irregularities and formalities, errors or defects, if any, which may have existed or may exist in the original location, or the record thereof, and/or any prior amendment or amendments thereof, and the record of same, and is made without waiver of any rights acquired as to the ground within the boundaries herein defined under or by virtue of said original location and any prior amended location, and to secure all the benefits of the Statutes of the State of Nevada. If said hereby amended lode mining claim should be, at any time of this Amendment, ineffective for any reason as to any of the ground within the boundaries herein defined, then as to such ground this Amended Certificate of Location shall be an original Certificate.
