

MULE DEER SPECIAL STIPULATION

The following described lands have been identified as critical habitat for wintering herds of mule deer. Therefore, prior to entry onto the lands within the described area, the lessee (operator) will discuss the proposed activities with the appropriate Bureau of Land Management's authorized officer who may require additional measures for the protection of mule deer. Such measures may include:

- a. Restriction of activity in identified areas during the winter months of November through March;
- b. No surface occupancy of selected sites;
- c. Special reclamation techniques.

Description of Lands

Parcels 85-120, 85-121, and 85-122 are subject to

this stipulation.

This limitation does not apply to maintenance and operation of producing wells. Exceptions to this limitation, in any year, may be specifically authorized in writing by the Bureau of Land Management's authorized officer.
