AMENDED LOCATION CERTIFICATES

The undersigned, Ronald Willden, whose address is 3750 Kings Hill Drive, Salt Lake City, Utah 84121, acting as agent for John L. Carroll, whose address is 515 Madison Ave., 32nd Floor, New York, N. Y. 10022, and who is owner of the lode mining claims known as BR #251, ER #28A, BR #30A, BR # 32A, ER #34A, BR #36A, BR #38A, BR #40A, and BR #42A, does hereby amend the original Location Certificates of the aforesaid mining claims to correct the Range designation given in those original Location Certificates.

The original Location Certificates, dated September 21, 1986, and recorded as documents 104917 through 104925, in Book 149, Pages 146 through 154 of the Mining Records of Eureka County, State of Nevada, gave the location of these claims as being in Range 53 E., Township 27 N., M282X, when in reality the claims all lie in Range 52 East. All other portions of the claim descriptions are correct on the original Location Certificates, and the claims were correctly shown to be in Range 52 East on the Map that was submitted and recorded with the Location Certificates.

The Location Certificates were recorded on September 26, 1986, in the office of the Eureka County Recorder, and they were filed with the U. S. Bureau of Land Management on October 16, 1986. They have been assigned serial numbers by the U. S. BLM as H MC 379354 through 379362.

This amendment is filed in accordance with Section 517.200 of the Nevada Revised Statutes, 1935.
