Recitals

Lessor owns certain unpatented lode mining claims
situate in Eureka County, Nevada, more particularly described in
Exhibit A which is attached hereto and incorporated by reference
herein (the "Claims").

Lessor and Lessee entered into a Mining Lease effective
August 10, 1987 (the "Agreement"), wherein Lessor granted to
Lessee a mining lease of the Claims.

Lessor and Lessee desire to enter into this Short Form
of Mining Lease (the "Short Form") for the purpose of placing of
record a notice of the Agreement.

Agreement

NOW THEREFORE, for Ten Dollars (\$10.00) and other good
and valuable consideration, the sufficiency of which is hereby
confessed and acknowledged, Lessor and Lessee have agreed and do
hereby agree as follows:

1. Grant of Lease of the Claims. Lessor has leased
and hereby grants and leases exclusively unto Lessee the Claims
together with all minerals and mineral deposits of every kind and
character whatsoever in, on or under the Claims; all veins and
lodes now owned or hereafter acquired by Lessor extending from or
into or contained in the Claims; all mineral interests now owned
or hereafter acquired by Lessor in the Claims; and together with
all easements and all rights of way for ingress and egress to and
from the Claims to which Lessor may be entitled. Lessor further
grants to Lessee the sole and exclusive right and privilege to do
any and all things necessary or desirable to accomplish any or
all of the purposes and rights set forth in the Agreement,
including, without limitation, rights to enter upon and use the
surface of the Claims and to use all water and water rights
appurtenant to the Claims to which Lessor may be entitled.

2. Term. The term of the Agreement shall be twenty (20) years from its effective date, unless sooner surrendered or otherwise terminated, and so long thereafter as Lessee is actively engaged in exploration, development or mining operations in or on the Claims.

3. Successors and Assigns. The Agreement and this Short Form are, and shall be, binding upon and inure to the benefit of the heirs, representatives, successors and assigns of the parties thereto. No assignment by Lessee of any of its interest under the Agreement or this Short Form shall be effective without the prior written consent of Lessor, which consent shall not be unreasonably withheld. No assignment by Lessor of any of its interest under the Agreement or this Short Form shall be effective until receipt by Lessee of written notice of such assignment.

4. Title to After-Acquired and Additional Interests. The Agreement covers and extends to any further or additional right, title, interest or estate heretofore or hereafter acquired by Lessor in or to the Claims or any part thereof.

5. Additional Terms. The Agreement contains clauses pertaining to advance royalties, production royalties, exploration programs, and various other provisions, and reference is made to the Agreement for such other terms and conditions as govern the Agreement, which terms and provisions are by reference made a part hereof. Nothing in this Short Form shall limit or affect the rights and duties of the parties under said Agreement. Information regarding the Agreement can be obtained from Lessor or Lessee at the addresses set forth above.

IN WITNESS WHEREOF, the parties have executed this Short Form of Mining Lease as of the date first above written.
