25 day of September, 1987.

This Certificate of Location is hereby made, posted, and recorded to include any and all open ground which may exist as of this date within the boundaries of this lode claim as monumented. All location and discovery work was completed by the said claim as provided in Section 517.040, Nevada Revised Statutes.

Location work for this mining claim consisted of preparing and filing a map of Section 517.030. There are 7 posts of durable plastic pipe at least 3 inches in diameter by 4 feet long set 1 foot in the ground, one for the discovery monument, one for each of the four corners and one at the center of each side line as prescribed by N.R.S.

The surface boundaries of the claim are described as beginning at the discovery monument and running thence 20 feet to the center of the South end line and the true point of beginning, thence (clockwise) West 300 ft. to corner no. 2, thence North 750 ft. to corner no. 3, thence South 750 ft. to corner no. 4, thence East 600 ft. to corner no. 5, thence South 300 ft. to the point of beginning.

There are 300 feet on each side of the middle of the vein. The claim is 600 feet wide and 500 feet long.

From this discovery monument the undersigned claims 20 feet in a South direction, and 1480 feet in a North direction.

The discovery monument is located approximately 3543' N 31° 31' E
