NOTE

Due to finding original monuments at the SE corner and the S. 1/4 corner of Section 17 that were not found nor used on the survey for the Large Division Map of the E. 1/2 of Section 17 (Document No. 81925) and subsequent Parcel Map for Parcel "F" (Document No. 82268) and corners set thereby, this data could not be used for this survey except for the concept of lot size and shape and the location of streets and street easements. Corners erroneously set pertaining to Parcel "F" have been removed to avoid confusion. See Record of Survey Document No. 104686.
