2. WSMC and Echo Bay enter into the Agreement for the purposes hereinafter stated, and they agree that all of their rights and all of the Operations on or in connection with the Properties or the Area of Interest shall be subject to and governed by the Agreement. The name of the Venture shall be the 25 Ranch Venture.

3. The Agreement is entered into for the following purposes and for no others, and shall serve as the exclusive means by which the Participants, or either of them, accomplish such purposes:

- (a) to conduct Exploration <sup>on the Properties and</sup> within the Area of Interest,
- (b) to acquire additional properties within the Area of Interest,
- (c) to evaluate the possible Development of the Properties,
- (d) to engage in Development and Mining,
- (e) to engage in marketing Products, to the extent permitted by the Agreement,

(f) to conduct, through lessees or otherwise, ranching operations on the 25 Ranch, and

(g) to perform any other activity necessary, appropriate, or incidental to any of the foregoing.

4. The effective date of the Agreement shall be the date first recited above. The term of the Agreement shall be for 20 years from the effective date and for so long thereafter as Products are produced from the Properties, unless the Agreement is earlier terminated as therein provided.

5. Nothing contained in the Agreement shall be deemed to constitute either Participant the partner of the other, nor, except as otherwise expressly provided in the Agreement, to constitute either Participant the agent or legal representative of the other, nor to create any fiduciary relationship between them. It is not the intention of the Participants to create, nor shall the Agreement be construed to create, any mining, commercial, or other partnership. Neither Participant shall have any authority to act for or to assume any obligation or responsibility on behalf of the other Participant, except as otherwise expressly provided in the Agreement. The rights, duties, obligations, and liabilities of the Participants shall be several and not joint or collective. Each Participant shall be responsible only for its obligations as set out in the Agreement and shall be liable only for its share of the costs and expenses as provided in the Agreement, it being the express purpose and intention of the Participants that their ownership of Assets and the rights acquired hereunder shall be as tenants in common. Each Participant shall indemnify, defend, and hold harmless the other Participant, its directors, officers, employees, agents, and attorneys from and against any and all losses, claims, damages, and liabilities arising out of any act or any assumption of liability by the indemnifying Participant, or any of its directors, officers, employees, agents, and attorneys done or undertaken, or apparently done or undertaken, on behalf of the other Participant, except pursuant to the authority expressly granted herein or as otherwise agreed in writing between the Participants.

6. Except as expressly provided in the Agreement, each Participant shall have the right independently to engage in and receive full benefits from business activities, whether or not competitive with Operations, without consulting the other. The doctrines of "corporate opportunity" or "business opportunity" shall not be applied to any other activity, venture, or operation of either Participant, and, except as otherwise provided in the Agreement, neither Participant shall have any obligation to the other with respect to any opportunity to acquire any property outside the Area of Interest at any time, or within the Area of Interest after the termination of the Agreement.

7. The Participants hereby waive and release all rights of partition, or of sale in lieu thereof, or other division of Assets, including any such rights provided by statute.

8. Except as otherwise provided in the Agreement, neither Participant shall Transfer all or any part of its interest in the Assets or the Agreement or otherwise permit or cause such interests to terminate.

9. WSMC, as its Initial Contribution, hereby contributes the 25 Ranch Agreements, the Marvel Agreement, the lease of the Pack Claims, and the Dot Claims to the purposes of the Agreement. Echo Bay, as its Initial Contribution, shall contribute the first cash which shall be used to fund Programs and Budgets approved pursuant to the Agreement.

10. The Participants shall have the following initial Participating Interests:

WSMC - 25%  
Echo Bay - 75%

11. A Participant's Participating Interest shall be changed as follows:

(a) As provided in Section 5.3 or 6.5. of the Agreement.

(b) Upon an election by a Participant pursuant to Section 6.3 of the Agreement to contribute less to an adopted Program and Budget than the percentage reflected by its Participating Interest.

(c) In the event of default by a Participant in making its agreed-upon contribution to an adopted Program and Budget, followed by an election by the other Participant to invoke Section 6.4 of the Agreement.

(d) Transfer by a Participant of less than all its Participating Interest in accordance with Article XV of the Agreement.

(e) Acquisition of less than all of the Participating Interest of the other Participant, however arising.

12. If a Participant defaults in making a contribution or cash call required by an approved Program and Budget, the non-defaulting Participant may, with respect to any such default not cured within 30 days after notice to the defaulting Participant of such default, elect to have the defaulting Participant's Participating Interest permanently reduced as provided in the Agreement. Such reductions shall be effective as of the date of the default.

13. Upon reduction of a Participant's Participating Interest to less than 15%, its interest shall be automatically converted to a 10% Carried Interest.

14. Each Participant shall take in kind or separately dispose of its share of all Products in accordance with its Participating Interest. Any extra expenditure incurred in the taking in kind or separate disposition by any Participant of its proportionate share of Products shall be borne by such Participant. Nothing in the Agreement shall be construed as providing, directly or indirectly, for any joint or cooperative marketing or selling of Products or permitting the processing of Products of any parties other than the Participants at any processing facilities constructed by the Participants pursuant to the Agreement. The Manager shall give the Participants notice at least ten (10) days in advance of the delivery date upon which their respective shares of Products will be available.

15. If a Participant fails to take in kind, the Manager shall have the right, but not the obligation, for a period of time consistent with the minimum needs of the industry, but not to exceed one year, to purchase the Participant's share for its own account or to sell such share as agent for the Participant at not less than the prevailing market price in the area. Subject to the terms of any such contracts of sale then outstanding, during any period that the Manager is purchasing or selling a Participant's share of production, the Participant may elect by notice to the Manager to take in kind. The Manager shall be entitled to deduct from proceeds of any sale by it for the account of a Participant reasonable expenses incurred in such a sale.

16. The Agreement shall terminate as expressly provided in this Agreement, unless earlier terminated by written agreement.

17. A Participant that withdraws pursuant to Section 12.3 of the Agreement, or is deemed to have withdrawn pursuant to Section 5.3 of the Agreement, shall not directly or indirectly acquire any interest in property within the Area of Interest for twelve (12) months after the effective date of withdrawal. If a withdrawing Participant, or the Affiliate of a withdrawing Participant, breaches this Section, such Participant or Affiliate shall be obligated to offer to convey to the non-withdrawing Participant, without cost, any such property or interest so acquired. Such offer shall be made in writing and can be accepted by the non-withdrawing Participant at any time within forty-five (45) days after it is received by such non-withdrawing Participant.

18. Any interest or right to acquire any interest in real property within the Area of Interest acquired during the term of the Agreement by or on behalf of a Participant or any Affiliate shall be subject to the terms and provisions of the Agreement.

Within thirty (30) days after the acquisition of any interest or the right to acquire any interest in real property wholly or partially within the Area of Interest (except real property acquired by the Manager pursuant to a Program), the acquiring Participant shall notify the other Participant of such acquisition. The acquiring Participant's notice shall describe in detail the acquisition, the lands and minerals covered thereby, the cost thereof, and the reasons why the acquiring Participant believes that the acquisition of the interest is in the best interests of the Participants under the Agreement. In addition to such notice, the acquiring Participant shall make any and all information concerning the acquired interest available for inspection by the other Participant. If, within thirty (30) days after receiving the acquiring Participant's notice, the other Participant notifies the acquiring Participant of its election to accept a proportionate interest in the acquired interest equal to its Participating Interest, the acquiring Participant shall convey to the other Participant, by special warranty deed, such a proportionate undivided interest therein. The acquired interest shall become a part of the Properties for all purposes of the Agreement immediately upon the notice of such other Participant's election to accept the proportionate interest therein. Such other Participant shall promptly pay to the acquiring Participant its proportionate share of the latter's actual out-of-pocket acquisition costs. If the other Participant does not give such notice within the thirty (30) day period set forth in this Section, it shall have no interest in the acquired interest, and the acquired interest shall not be a part of the Properties or be subject to the Agreement.

19. The Management Committee may authorize the Manager to surrender or abandon part or all of the Properties. If the Management Committee authorizes any such surrender or abandonment over the objection of a Participant, the Participant that desires to abandon or surrender shall assign to the objecting Participant, by special warranty deed and without cost to the surrendering Participant, all of the surrendering Participant's interest in the property to be abandoned or surrendered, and the abandoned or surrendered property shall cease to be part of the Properties. If any Properties are abandoned or surrendered under the provisions of this Section, then, unless the Agreement is earlier terminated, neither Participant nor any Affiliate thereof shall acquire any interest in such Properties or a right to acquire such Properties for a period of two (2) years following the date of such abandonment or surrender. If a Participant reacquires any Properties in violation of this Section, the other Participant may elect by notice to the reacquiring Participant within forty five (45) days after it has actual notice of such reacquisition, to have such properties made subject to the terms of the Agreement. In the event such an election is made, the reacquired properties shall thereafter be treated as Properties, and the costs of reacquisition shall be borne solely by the reacquiring

Participant and shall not be included for purposes of calculating the Participants' respective Participating Interests.

20. A Participant shall have the right to Transfer to any third party all or any part of its interest in or to the Agreement, its Participating Interest, or the Assets solely as provided in this Section. The Transfer right of a Participant shall be subject to the following terms and conditions:

(a) No transferee of all or any part of the interest of a Participant in the Agreement, any Participating Interest, or the Assets shall have the rights of a Participant unless and until the transferring Participant has provided to the other Participant notice of the Transfer and, except as provided in Subsections (e) and (f), below, the transferee, as of the effective date of the Transfer, has committed in writing to be bound by the Agreement to the same extent as the transferring Participant.

(b) No Participant, without the consent of the other Participant, shall make a Transfer which shall cause termination of the tax partnership established by the provisions of Section 4.2 of the Agreement.

(c) In the event of a Transfer of less than all of a Participating Interest, the transferring Participant and its transferee shall act and be treated as one Participant.

(d) No Participant shall Transfer any interest in the Agreement or the Assets except by Transfer of part or all of its Participating Interest.

(e) If the Transfer is the grant of a security interest by mortgage, deed of trust, pledge, lien, or other encumbrance of any interest in the Agreement, any Participating Interest, or the Assets to secure a loan or other indebtedness of a Participant in a bona fide transaction, such security interest shall be subordinate to the terms of the Agreement and the rights and interests of the other Participant hereunder. Upon any foreclosure or other enforcement of rights in the security interest the acquiring third party shall be deemed to have assumed the position of the encumbering Participant with respect to the Agreement and the other Participant, and it shall comply with and be bound by the terms and conditions of the Agreement.

(f) If a sale or other commitment or disposition of Products or proceeds from the sale of Products by a Participant upon distribution to it pursuant to Article XI of the Agreement creates in a third party a security interest in Products or proceeds therefrom prior to such distribution, such sale, commitment or disposition shall be subject to the terms and conditions of the Agreement.

21. Except as otherwise provided in the following Section, if a Participant desires to Transfer all or any part of its interest in the Agreement, any Participating Interest, or the Assets, the other Participant shall have a preemptive right to acquire such interests as provided in this Section:

(a) A Participant intending to Transfer all or any part of its interest in the Agreement, any Participating Interest, or the Assets shall promptly notify the other Participant of its intentions. The notice shall state the price and all other pertinent terms and conditions of the intended Transfer, and shall be accompanied by a copy of the offer or contract for sale. The other Participant shall have sixty (60) days from the date such notice is delivered to notify the transferring Participant whether it elects to acquire the offered interest at the same price and on the same terms and conditions as set forth in the notice. If it does so elect, the Transfer shall be consummated promptly after notice of such election is delivered to the transferring Participant.

(b) If the other Participant fails to so elect within the period provided for in Subsection (a), the transferring Participant shall have sixty (60) days following the expiration of such period to consummate the Transfer to a third party at a price and on terms no less favorable than those offered by the transferring Participant to the other Participant in the notice required in Subsection (a).

(c) If the transferring Participant fails to consummate the Transfer to a third party within the period set forth in Subsection (b), the preemptive right of the other Participant in such offered interest shall be deemed to be revived. Any subsequent proposal to Transfer such interest shall be conducted in accordance with all of the procedures set forth in this Section.

22. The preceding Section shall not apply to the following:

(a) Transfer by a Participant of all or any part of its interest in the Agreement, any Participating Interest, or the Assets to an Affiliate.

(b) Incorporation of a Participant, or corporate merger, consolidation, amalgamation, or reorganization of a Participant by which the surviving entity shall possess substantially all of the stock, or all of the property rights and interests, and be subject to substantially all of the liabilities and obligations of that Participant.

(c) The grant by a Participant of a security interest in any interest in the Agreement, any Participating Interest, or the Assets by mortgage, deed of trust, pledge, lien, or other encumbrance.

(d) A sale or other commitment or disposition of Products or proceeds from sale of Products by a Participant upon distribution to it pursuant to Article XI of the Agreement.

23. A copy of the Agreement is on file with the Manager, whose address is:
