LEASE TERMS

- Soc. 1. Renois-Reseats shall be paid to proper office of leasor in advance of each lease year. Annual ceptal races per acre or fraction thereof are:
 - (a) Simultaneous moncompetitive lease, \$1.00 for the first 5 years, thereafter, \$3.00; (b) Regular moncompetitive lease, \$1.00. (c) Competitive lease, \$2.00; or (d) Other, see attachment.

If all or part of a noncompetitive leasehold is determined to be within a known geological structure or a favorable pervolving geological province, annual rental shall become \$2.00, beginning with the lease year following notice of such determination. However, a lease that would otherwise be subject to restal of more than \$2.00 shall continue to be subject to the higher rental.

otherwise be subject to remail of more than \$2.00 shall commute to be subject to the higher remail.

If this lease or a portion thereof is committed to an approved cooperative or unit plan which includes a well capable of production gleased resources, and the plan contains a provision for allocation of production, or altres shall be paid on the production allocated to this lease. However, annual remails shall continue to be due at the rate specified in (a), (b), (c), or (d) for those lands not within a participating area.

Failure to pay annual remails, if due, on or before the anniversary date of this lease for next official working day if office is closed; shall automatically terminate this lease by operation of law. Remails may be waived, reduced, or suspended by the Secretary upon a sufficient showing

Sec 2 Royalnes Sec. 2. Royalnes—Royalnes shall be paid to proper office of lessor. Royalnes shall be co-puted in accordance with regulations on production removed or sold. Royalry rates are:

- (a) Simultaneous noncompetitive lease, 12½%;
 (b) Regular noncompetitive lease, 12½%;
 (c) Competitive lease, see anachment; or
 (d) Other, see anachment.

(6) Under, see sustainment.

Leasor reserves the right to specify whether royally, is so be paid in value or in kind, and the right to establish reasonable, minimum values on products after giving lever, sixes and an opportunity to be local. When paid in value, royalities such the due and payable on the last day of the month of the month following the month on which production occurred. When paid in hind, production shall be delivered, seeks otherwise agreed to by lesser, in merchantable condition on the gremases where produced without cost to lessor. Lever shall not be required to hold such principles of the production occurred, nor shall resee the field listle for lots or destination of royally out or other production on storage from causes beyond the reasonable control of lessee.

as storage from causes beyond the reasonable control of leases.

Minimum royalty shall be due for any lease year after discovery in which royalty payments aggregate less than \$1,00 per acre. Lessee shall pay such distretence at end of lease year. This minimum toyalty may be waived, suspended, or reduced, and the above royalty rates may be reasonaged, for all or portions of this leave if the Secretary distremines that such action is necessary to encourage the greatest ultimate recovery, of the leason resources, or is unbetween systified. An interest charge shall be assessed on late royalty payments or undergrainments accordance with the Federal Use and Gas Royalty, Management Act of 1982 (FOGNA) (90 Stat 2447). Lessee shall be liable for royalty payments on oil and gas too or waterd from a lease site when such loss or easier is due to weightence on the part of the operator, or due in the failure to comply with any role, regulation, order, or culation issued under FOGRNA or the leasing authority.

- Sec. 3. Bonds-Lesser shall file and maintain any bond required under regulations.
- Sec. 4. Disperce, rate of development, untitation, and drainage—Lesses shall exercise reasonable disperce in development, untitation, and shall prevent unnecessary damage to, loss of, or waste of learned resources. Lessor reserves right to specify rates of development and production in the puties merey and to require reserve to such receive to a conventione or unit plant within 30 days of notice, a deemed necessary for proper development and operation of area, feels, or pool embracing their eleased links, lessee shall drain and produce with necessary to project leased lands from the area of the production of the prod protect leased lands determined by lessor
- protect leaved lands from drainage of pay compensative versary meaning the leaves and leaves and unspection—Leaves shall file with proper office of leaves, not later than 30 days after effective date thereof, any contract of exidence of other arrangement of later than 30 days after effective date thereof, any contract of exidence of other arrangement of later than 30 days after effective date thereof, any contract of exidence of contract and soft of all products removed and soft succeeds therefrom, and amount used for production purposes or unavoidably lost. Leaves may be required to provide plats and statement of dargams those and exidence on one it surveys with respect to parties in interest, and depreciation costs in the form prescribed to leaves, leaves shall seep a daily and integrated as leaves, intomation of production one of surveys and record of substitute to expenditures, and depreciation costs in the form prescribed to leaves, leaves shall seep a daily and integrated as the product of the same one on the form of the contract of the same of the sam

supports costs clasmed as manufacturing, preparation, and/or transportation costs. All such records shall be maintained in lessee's accounting officers for houre audit by lessor. Lessee shall make tain required records for 6 years after they are generated or, if an audit of meetingation is underway, until released of the obligation to maintain such records by lessor.

way, until released of the obligation to maintain such records by lessor.

During existence of this lease, information obtained under this section shall be closed to inspection by the public in accordance with the Fernation of Information Act (5 U.S.C. 523).

Sec. 6. Conduct of operations—Leasee shall conduct operations in a manner that minimizes adverse impacts to the land, air, and water, to cultural, biological, visual, and other resources, and to other land uses or users. Leasee shall take reasonable measures demend necessary by leason to accomplish the union of this section. To the extent consistent with lease right granted, such measures may returne to this section. To the extent consistent with lease right granted, such measures may returne to the section. To the extent consistent with lease right granted, such measures may returne funded, such confidences, the proposal of existence or in the lease flaths, including the approval of existence or rights of ways. Such sees shall be conditioned to as to prevent unnecessary or unreasonable unterference with rights of leases.

unnecessary or extreasonable interference with rights of lesses.

Prior to disturbing the surface of the leased lands, lesses thatil contact lessor to be apprised of procedures to the followed and modifications or reclimation measures that may be necessary.

Areas to be disturbed thay require inventiones or special studies to determine the extent of impacts to other resources. Lesses may be required to compete major undersoon or short term special studies under guinetines provided by lessor. If in the conduct of operations, threatened or endangered species, owers of historic or scientific insertes, or substantial unantecipated revolunnessing ferent are otherwise, lesses shall immediately contact lessor. Lesses shall sease any operations that model result in the destruction of such species or objects.

- Sec. 7. Mining operations—To the extent that impacts from mining operations would be substimulally different or greater than those associated with normal drilling operations, lessor reserves the right to deny approval of such operations.
