I FASE TERMS

- Sec. 1. Remais—Rentals shall be pead to proper office of lessor in advance of each lease year.

 Annual rental rates per acre or fraction thereof are:
 - (a) Simultaneous noncompetitive lease, \$1.00 for the first 5 years, thereafter, \$3.00; (b) Regular noncompetitive lease, \$1.00; (c) Competitive lease, \$2.00; or (d) Other, see anachmen.

If all or part of a concompetitive leasehold is determined to be within a known geological structure or a favorable perroleum geological province; annual rental shall become \$2.00, beginning with the lease year following notice of such determination. However, a lease that would otherwise be subject to retail of more than \$2.00 shall continue to be subject to the higher rental.

this lease or a portion thereof is continued to an approved cooperative or unit plan which includes a well capable of producing leased resources, and the plan contains a provision for allocation of producion, royalities shall be paid on the production allocation to this lease. However, annual renals shall continue to be due at the rate specified in (a), (b), (c), or (d) for those lands now within a participating area.

Failure to pay annual renal, if due, on or before the anniversary date of this lease (or next official working day if office is closed) shall automatically terminate this lease by operation of law. Rentals may be waived, reduced, or suspended by the Secretary upon a sufficient showing

- Sec. 2. Royalties—Royalties shall be paid to proper office of lessor. Royalties shall be con puted in accordance with regulations on production removed or sold. Royalty rates are:
 - (a) Simultaneous noncompetitive lease, 12%%;
 (b) Regular noncompetitive lease, 12%%;
 (c) Competitive lease, see anachment; or
 (d) Other, see anachment.

(d) Other, see attachment.

Lessor reserves the right to specify whether royalty is to be paid in value or in lund, and the right to establish reasonable minimum values on products after giving fessee notice and an opportunity to be heard. When paid in value, royalties shall be due and payable on the last day of the month following the month of housing the month of the month following the month in which production occurred. When paid in sund, production shall be delivered, unless otherwise agreed to by leasor, in merchinatible condition on the premuses where produced without cost to below. Lessee shall not be required to hold such production in storage from causes beyond the last day of the month following the month in which production occurred, nor shall lessee be held flable for loss or destruction of royalty oil or other products in storage from causes beyond the reasonable control of leasee.

Minimum royalty shall be due for any lease year after discovery in which royalty payments aggregate less than \$1.00 per acre. Lessee shall play such difference at end of lease year. This minimum royalty may be waised, suspended, or reduced, and the above toyalty rates may be reduced, for all or portions of this lesse if the Secretary determines that such actions in accessary to encourage the greatest ultimate recovery of the leased resources, or a unfertivaments in accordance with the Federal Oil and Gis Royalty Management Act of 1982 (FOGRMA) (96 Sai 2447). Lessee shall be labele for orgalty payments on all and gas toy or waved from a lesses set when such loss or wasters is due to negligence on the pain of the operator, or due to the feature to comply with any rule, regulation, order, or classion issued under FOGRMA or the leasure to comply with any rule, regulation, order, or classion issued under FOGRMA or the leasure to comply.

- nds-Lessee shall file and maintain any bond required under regulations.
- Sec. 4. Diligence, rate of development, undutation, and dramage—Lesses shall exercise reasonable diligence in developing and producing, and shall prevent unnecessary damage to, loss of, or waste of leaved resources. Lessor reverees right to specify rates of development and production in the public interest and to requise lessee to substrict to a conference or unit plan, within 30 days of notice, it deemed necessary low proper development and operation of area, field, or proof embracing these leased lands. Lessee shall drait and prostuce wells necessary to protect leased lands from drainage or pay compensatory royalty for drainage in amount determined by Fissor.
- determined by lessor.

 Sec. 5: Documents, evidence, and inspection—Lessee shall file with proper office of lessor, not later than 30 days after effective date thereof, any contract or evidence of other arrangement for tall or diaponal of production. At such times and in such times as lessor may prescribe, lessee shall formsh evidence statements show the monors and quality of all products incremed and sold, proceeds therefrom, and amount used for productions purposes or unavoidably lost. Lessee may be required to provide plats and schematic dargarms showing development work and nitroprovements, and reports with respect to parties in universit, expenditures, and depreciation costs. In the form prescribed by lessor, lessee shall keep a daily druling records, a logic uniformation on well surveys and lestor, and a record of subsurvince on evidencies and furths copies to lessor when required. Lessee shall keep open at all reasonable times for imspection by any authorized other of lessor, the leased premises and all which, improvements, imakinery, and another of lessor, the leased premises and all which, improvements, imakiners, and another of lessor, the leased premises and all which, improvements, imakiners, and agreements, accounting records, and documentation such as billings, invoices, or similar documentation that

supports costs claimed as manufacturing, preparation, and/or transportation costs. All shall be maintained in lessee is accomming offices for hunre audit by lessor. Lesson tain required records for 6 years after they are generated or, if an audit or investigate way, until released of the obligation to maintain such records by beside.
