NOTICE OF INTENTION TO HOLD UNPATENTED MINING CLAIMS

DATE: August 31, 1988

TO WHOM IT MAY CONCERN:

NOTICE IS HEREBY GIVEN that Hycroft Resources & Development, Inc., a Nevada corporation, whose post office address is 1325 Airmotive Way, Suite 200, Reno, Nevada 89502, owner of the following described unpatented mining claims, intends to hold the same claims and to continue development thereof. The said claims are held and claimed by the owner for the valuable mineral contained therein.

The reason that the annual assessment work has not been performed or an affidavit of annual assessment work performed or a detailed report of geological, geochemical or geophysical survey under 43 CFR Section 3833.2-2 (1979) has not been filed is that the claims were located in the 1987-1988 assessment year and no assessment work is required.

The claims which are the subject of this notice are described in Exhibit "A" attached hereto annexed and hereby by reference incorporated herein.
