Witnesseth: That Grantor, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, does hereby grant to Grantee, subject to the provisions hereof, a right of way to construct, operate, maintain, replace and remove such communication systems as the Grantee may from time to time require, consisting of underground cables, wave guides, wires, conduits, manholes, drains, splicing boxes and other facilities for similar uses together with surface testing terminals, markers and other appurtenances, upon, over and under a strip of land 16.5 feet wide upon, over and under the following lands situated in the County of Eureka, State of Nevada, described on Exhibit A attached hereto and made a part hereof.

Reserving unto Grantor, its affiliates successors and assigns, the right to use the property for any and all purposes which will not interfere with Grantee's enjoyment of the easement hereby granted, including without limiting the generality of the foregoing, the exclusive reserved right to explore for, extract, mine and remove all minerals and mineral ores therein of every kind and character, including but not limited to, oil, natural gas, hydrocarbon substances, and geothermal steam, brines and minerals in solution, sand, gravel and aggregates, in and underlying said property.

3. Grantee shall have at all times ingress and egress to the Property across lands owned by Grantor for the purpose of constructing, repair, renewing, altering, changing, patrolling and operating said distribution facilities.
4. Grantee shall have the right to remove or clear any and all buildings, structures, combustible materials, trees, brush, debris, or any other obstruction from said right of way, which in the judgment of Grantee may interfere with or endanger the construction, operation, and maintenance of said facilities.
5. In the event of failure of Grantee to fully perform and comply with each and all of the provisions herein set forth, or in the event that the Property shall be used by Grantee for any other purpose than for the easement herein expressly granted, or in the event of non-use by Grantee of said rights of way for a continuous period of two (2) years then and in any of such events the rights of way hereby granted, or such part or parts thereof as shall be used for such other purposes, or the use of which shall have been discontinued, shall thereupon immediately cease and determine and the right of use and possession thereof and the title thereto shall immediately revert to and revest in Grantor.
6. 7. Grantee shall, at Grantee's expense, promptly comply with all applicable statutes, ordinances, rules, regulations and orders of every applicable governmental jurisdiction, including, without limitation, those relating to health, safety, noise, environmental protection, waste disposal, and water and air quality. Should any discharge, leakage, spillage, emission, or pollution of any type occur upon or from the Property or on any other property arising out of or in any way connected with Grantee's use and occupancy of the Property, Grantee, at its expense, shall be obligated to clean all the property to the extent affected thereby, whether owned or controlled by Grantor or any third person, to the reasonable satisfaction of Grantor (insofar as the property owned or controlled by Grantor is concerned) and to the satisfaction of any governmental body having jurisdiction thereover.

The term "Grantor" as used in this Section 8 shall include the affiliates of Grantor in addition to Grantor. The obligations of Grantee under this Section 8 shall survive the termination of this easement with respect to any event giving rise to liability which occurs prior to such termination.

10. This grant of easement is subject to all contracts, leases, liens, easements and encumbrances or claims of title ("encumbrances") which may affect the Property and nothing herein contained shall be construed as a covenant against the existence of any thereof. Grantee will not interfere with the rights granted to others under such encumbrances.
