Re: Alien claims, Dureka County, NV

Dear Mr. Hamitt:

Be advised that, in the matter of your recent claim staking activity in the vicinity of Cimarron's Alien claim block in T19N, R49-50E (see attached), the Alien claims are maintained in good standing by Cimarron, have been duly filed and recorded, with intent to hold.

Any Molycorp claims that overlap the Alien block are invalid, and we request that Molycorp acknowledge in writing the existence of any overlap of senior Alien claims, along with the recognition of invalidity. Thankyou.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "D. Giles".
