In the event Assignees shall at any time desire to surrender said lease as to all or any part of the above-described lands, Assignees shall so notify Assignor in writing thereof at least forty-five (45) days in advance of the next anniversary date of the lease, and Assignor shall then have the right to reacquire said lease as to the lands to be surrendered, or any part thereof, by notifying Assignees thereof in writing within fifteen (15) days after receipt by Assignor of such notice, whereupon Assignees shall, in due course, reassign to Assignor all of such interest. In the event Assignor does not so elect to reacquire said lease as to the lands to be surrendered, as aforesaid, then Assignees may surrender such lease to the lessor, or parties then entitled thereto, in accordance with the terms of such lease, and Assignor agrees to join in the execution and delivery of such instrument of surrender as may be reasonably necessary. Any reassignment under the terms of this attached rider to this assignment shall be free and clear of all burdens, encumbrances or outstanding interests other than those existing on the date hereof.

Form B: CERTIFICATION AND RELEASE OF LEASE

1. The assignor certifies as owner of an interest in the above designated lease that he/she hereby assigns to the above assignee(s) the rights specified above.
2. Assignee certifies as follows: (a) Assignee is a citizen of the United States; an association of such citizens; a municipality; or a corporation organized under the laws of the United States or of any State or territory thereof. For the assignment of NIPR-A leases, assignee is a citizen, national, or resident alien of the United States or association of such citizens, nationals, resident aliens or private, public or municipal corporations; (b) Assignee is not considered a minor under the laws of the State in which the lands covered by this assignment are located; (c) Assignee's assignable interest, direct and indirect, in either public domain or acquired lands, do not exceed 200,000 acres in oil and gas options or 246,000 in oil and gas leases in the same State, or 300,000 acres in leases and 200,000 acres in options in each leasing District in Alaska, if this is an oil and gas lease issued in accordance with the Mineral Leasing Act of 1920 or 31,200 acres in any one State if this is a geothermal lease; (d) All parties holding an interest in the assignment are otherwise in compliance with the regulations (43 CFR Group 3100 or 3200), and the authorizing Acts; (e) Assignee is in compliance with reclamation requirements for all Federal oil and gas lease holdings as required by sec. 37(g) of the Mineral Leasing Act; and (f) Assignee is not in violation of sec. 41 of the Mineral Leasing Act.
3. Assignee's signature to this assignment constitutes acceptance of all applicable terms, conditions, stipulations and restrictions pertaining to the lease described herein.

For geothermal assignments, an overriding royalty may not be less than one-fourth (1/4) of one percent of the value of output, nor greater than 50 percent of the rate of royalty due to the United States when this assignment is added to all previously created overriding royalties (43 CFR 3241).

I certify that the statements made herein by me are true, complete, and correct to the best of my knowledge and belief and are made in good faith.
