TSH #1 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 24th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #1

in the Northeast 1/4 of Section 2, T. 18 N., R. 49 E., H.D.M., and
in the _____ of Section _____, T. _____, R. _____, H.D.M., in the

Unknown Mining District, Bureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Westerly direction and 50 feet in a Easterly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 <u>NE</u> Corner <u>TSH # 1</u>
Post No. 2	Marked Post No. 2 <u>SE</u> Corner <u>TSH # 1</u>
Post No. 3	Marked Post No. 3 <u>S</u> Side Center <u>TSH # 1</u>
Post No. 4	Marked Post No. 4 <u>SW</u> Corner <u>TSH # 1</u>
Post No. 5	Marked Post No. 5 <u>NW</u> Corner <u>TSH # 1</u>
Post No. 6	Marked Post No. 6 <u>N</u> Side Center <u>TSH # 1</u>

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 1/2 inches in diameter ^{2/} by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps ^{4/} and payment of the fees prescribed by NRS 517.040.

DATED this 24th day of May, 19 89.

The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Easterly direction and 50 feet in a Westerly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 <u>NW</u> Corner <u>TSH #8</u>
Post No. 2	Marked Post No. 2 <u>SW</u> Corner <u>TSH #8</u>
Post No. 3	Marked Post No. 3 <u>S</u> Side Center <u>TSH #8</u>
Post No. 4	Marked Post No. 4 <u>SE</u> Corner <u>TSH #8</u>
Post No. 5	Marked Post No. 5 <u>NE</u> Corner <u>TSH #8</u>
Post No. 6	Marked Post No. 6 <u>N</u> Side Center <u>TSH #8</u>

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 1/2 inches in diameter ^{2/} by 4 feet ^{3/} in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps ^{4/} and payment of the fees prescribed by NRS 517.040.

DATED this 24th day of May, 19 89.

TSH #16 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 24th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #16

in the Southwest $\frac{1}{4}$ of Section 36, T. 19 N., R. 49 E., M.D.M., and

in the Southeast $\frac{1}{4}$ of Section 35, T. 19 N., R. 49 E., M.D.M., in the

Unknown Mining District, Eureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Easterly direction and 50 feet in a Westerly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	MARKINGS ON METAL TAG
Post No. 1	Marked Post No. 1 <u>NW</u> Corner TSH # 16
Post No. 2	Marked Post No. 2 <u>SW</u> Corner TSH # 16
Post No. 3	Marked Post No. 3 <u>S</u> Side Center TSH # 16
Post No. 4	Marked Post No. 4 <u>SE</u> Corner TSH # 16
Post No. 5	Marked Post No. 5 <u>NE</u> Corner TSH # 16
Post No. 6	Marked Post No. 6 <u>N</u> Side Center TSH # 16

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least $\frac{3}{4}$ inches in diameter ^{2/} by 6 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached ^{3/} to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting ^{4/} the Notice of Location. The work of location consisted of making and recording duplicate claim maps and payment of the fees prescribed by NRS 517.040.

- 1/ A metal post or a durable plastic pipe is also authorized.
- 2/ If metal post used, it must be at least 2 inches in diameter. If a durable plastic pipe is used, it must be at least 3 inches in diameter.
- 3/ Posts may also be scribed or marked giving the claim name, monument number, and position. The claim map must be at a scale of not less than 500 feet to the inch, which sets forth the position of the monuments in relation to each other and establishes numbers of boundary monuments. The size of each sheet must be 24 x 32 inches.
- 4/ Where the land has been surveyed by the United States, the description must be connected by corners and distances to an official corner of the public land survey. Where the land has not been surveyed by the United States or where official corners cannot be found through the exercise of due diligence, the description must be tied by courses and distances to a natural landmark or a readily identifiable artificial landmark which is customarily shown on a map, including, without limitation, a bench mark or the point at which two roads intersect. The description must also state the township and range, and where the lands are surveyed lands the quarter section and section in which the landmark and mining claims are situated must begin.

TSH #23 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 28th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #23

in the Northeast 1 of Section 35, T. 19 N, R. 49 E, M.D.H., and

in the _____ of Section _____, T. _____, R. _____, M.D.H., in the

Unknown Mining District, Eureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Westerly direction and 50 feet in a Easterly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 <u>NE</u> Corner <u>TSH # 23</u>
Post No. 2	Marked Post No. 2 <u>SE</u> Corner <u>TSH # 23</u>
Post No. 3	Marked Post No. 3 <u>S</u> Side Center <u>TSH # 23</u>
Post No. 4	Marked Post No. 4 <u>SW</u> Corner <u>TSH # 23</u>
Post No. 5	Marked Post No. 5 <u>NW</u> Corner <u>TSH # 23</u>
Post No. 6	Marked Post No. 6 <u>N</u> Side Center <u>TSH # 23</u>

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 1/2 inches in diameter ^{2/} by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached ^{3/} to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps ^{4/} and payment of the fees prescribed by NRS 517.040.

TSH #30 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 24th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #30

in the North 1/4 of Section 2, T. 18 N., R. 49 E., H.D.M., and

in the _____ of Section _____, T. _____, R. _____, H.D.M., in the

Unknown Mining District, Dureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Easterly direction and 50 feet in a Westerly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 NW Corner TSH # 30
Post No. 2	Marked Post No. 2 SW Corner TSH # 30
Post No. 3	Marked Post No. 3 S Side Center TSH # 30
Post No. 4	Marked Post No. 4 SE Corner TSH # 30
Post No. 5	Marked Post No. 5 NE Corner TSH # 30
Post No. 6	Marked Post No. 6 N Side Center TSH # 30

As erected on the ground, each corner and sideline center monument consists of a wooden post at least 3/4 inches in diameter by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps and payment of the fees prescribed by NRS 517.040.

TSN #37 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 24th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSN #37

in the Southwest 1 of Section 35, T. 19 N., R. 49 E., H.D.M., and

in the _____ of Section _____, T. _____, R. _____, H.D.M., in the

Unknown Mining District, Doreka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Westerly direction and 50 feet in a Easterly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	MARKINGS ON METAL TAG	POSITION
Post No. 1	Marked Post No. 1	NE Corner TSN #37
Post No. 2	Marked Post No. 2	SE Corner TSN #37
Post No. 3	Marked Post No. 3	S Side Center TSN #37
Post No. 4	Marked Post No. 4	SW Corner TSN #37
Post No. 5	Marked Post No. 5	NW Corner TSN #37
Post No. 6	Marked Post No. 6	N Side Center TSN #37

As erected on the ground, each corner and sideline center monument consists of a wooden post^{1/} at least 3/4 inches in diameter^{2/} by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps and payment of the fees prescribed by NRS 517.040.

DATED this 24th day of May, 19 89.

CERTIFICATE OF LOCATION
LODE MINING CLAIM

128689

TSH #44 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 28th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #44

in the Center of Section 35, T. 19 N, R. 49 E, H.D.M., and

in the _____ of Section _____, T. _____, R. _____, H.D.M., in the

Unknown Mining District, Eureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Easterly direction and 50 feet in a Westerly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 <u>NW</u> Corner <u>TSH #44</u>
Post No. 2	Marked Post No. 2 <u>SW</u> Corner <u>TSH #44</u>
Post No. 3	Marked Post No. 3 <u>S</u> Side Center <u>TSH #44</u>
Post No. 4	Marked Post No. 4 <u>SE</u> Corner <u>TSH #44</u>
Post No. 5	Marked Post No. 5 <u>NE</u> Corner <u>TSH #44</u>
Post No. 6	Marked Post No. 6 <u>N</u> Side Center <u>TSH #44</u>

As erected on the group, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 3/4 inches in diameter ^{2/} by 4 feet ^{3/} in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners, and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps and payment of the fees prescribed by NRS 517.040.

- 1/ A metal post or a durable plastic pipe is also authorized.
- 2/ If metal post used, it must be at least 2 inches in diameter. If a durable plastic pipe is used, it must be at least 3 inches in diameter.
- 3/ Posts may also be scribed or marked giving the claim name, monument number, and position. The claim map must be at a scale of not less than 500 feet to the inch, which sets forth the position of the monuments in relation to each other and establishes numbers of boundary monuments. The size of each sheet must be 24 x 32 inches.
- 4/ Where the land has been surveyed by the United States, the description must be connected by corners and distances to an official corner of the public land survey. Where the land has not been surveyed by the United States or where official corners cannot be found through the exercise of due diligence, the description must be tied by courses and distances to a natural landmark or a readily identifiable artificial landmark which is customarily shown on a map, including, without limitation, a bench mark or the point at which two roads intersect. The description must also state the township and range, and where the lands are surveyed lands the quarter section and section in which the landmark and mining claims are situated must begin.

in the Northwest 1 of Section 35, T. 19 N., R. 49 E., H.D.R., and

in the Southwest 1 of Section 26, T. 19 N., R. 49 E., H.D.R., in the

Unknown Mining District, Dureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Westerly direction, and 50 feet in a Easterly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Post No. 1	Marked Post No. 1 <u>NE</u> Corner <u>TSH #51</u>
Post No. 2	Marked Post No. 2 <u>SE</u> Corner <u>TSH #51</u>
Post No. 3	Marked Post No. 3 <u>S</u> Side Center <u>TSH #51</u>
Post No. 4	Marked Post No. 4 <u>SW</u> Corner <u>TSH #51</u>
Post No. 5	Marked Post No. 5 <u>NW</u> Corner <u>TSH #51</u>
Post No. 6	Marked Post No. 6 <u>N</u> Side Center <u>TSH #51</u>

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 inches in diameter ^{2/} by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached ^{3/} to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps ^{4/} and payment of the fees prescribed by NRS 517.060.

Post No. 3	Marked Post No. 3	S Side Center TSH # 58
Post No. 4	Marked Post No. 4	SE Corner TSH # 58
Post No. 5	Marked Post No. 5	NE Corner TSH # 58
Post No. 6	Marked Post No. 6	N Side Center TSH # 58

As erected on the ground, each corner and sideline-center monument consists of a wooden post at least 3 inches in diameter, 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps and payment of the fees prescribed by NRS 517.040.

DATED this 24th day of May, 19 89.

- 1/ A metal post or a durable plastic pipe is also authorized.
- 2/ If metal post used, it must be at least 2 inches in diameter. If a durable plastic pipe is used, it must be at least 3 inches in diameter.
- 3/ Posts may also be scribed or marked giving the claim name, monument number, and position. The claim map must be at a scale of not less than 500 feet to the inch, which sets forth the position of the monuments in relation to each other and establishes numbers of boundary monuments. The size of each sheet must be 24 x 32 inches.
- 4/ Where the land has been surveyed by the United States, the description must be connected by corners and distances to an official corner of the public land survey. Where the land has not been surveyed by the United States or where official corners cannot be found through the exercise of due diligence, the description must be tied by courses and distances to a natural landmark or a readily identifiable artificial landmark which is customarily shown on a map, including, without limitation, a bench mark or the point at which two roads intersect. The description must also state the township and range, and where the lands are surveyed lands the quarter section and section in which the landmark and mining claims are situated must begin.

CERTIFICATE OF LOCATION
LODE MINING CLAIM

128704

TSH #60 Lode Mining Claim

This is to certify that BHP-Utah International Exploration Inc., a Delaware corporation, did on the 24th day of May, 19 89, locate, and claim, and does hereby locate and claim by right of discovery and location, and in compliance with the Mining Laws of the United States and the State of Nevada, and the local customs and rules of the district in which the claim is located, the lode mining claim called the TSH #60

in the Northeast 1 of Section 1, T. 18 N., R. 49 E., M.D.M., and

in the _____ of Section _____, T. _____, R. _____, M.D.M., in the

Unknown Mining District, Dureka County, State of Nevada. The general course of the lode or vein as near as can be determined is in a East-West direction from the discovery monument upon which the Notice of Location is posted. The undersigned claims 1450 feet in an Easterly direction and 50 feet in a Westerly direction from the discovery monument together with 300 feet on each side of the center of the vein at the surface.

The position and number of each corner and side line center of this claim is shown on the Mining Claim Map recorded herewith. The number, position and markings on each corner or side center monument is as follows:

MONUMENT	POSITION
Marked Post No. 1	<u>NW</u> Corner <u>TSH # 60</u>
Post No. 2	<u>SW</u> Corner <u>TSH # 60</u>
Post No. 3	<u>S</u> Side Center <u>TSH # 60</u>
Post No. 4	<u>SE</u> Corner <u>TSH # 60</u>
Post No. 5	<u>NE</u> Corner <u>TSH # 60</u>
Post No. 6	<u>N</u> Side Center <u>TSH # 60</u>

As erected on the ground, each corner and sideline center monument consists of a wooden post ^{1/} at least 3 1/2 inches in diameter ^{2/} by 4 feet in length set one foot in the ground and is marked as described above by an aluminum tag attached to the monument. The monumentation and marking of the above-described corners and sideline centers on the ground was completed within 60 days from the date of posting the Notice of Location. The work of location consisted of making and recording duplicate claim maps ^{3/} and payment of the fees prescribed by NRS 517.040.
