Barrick Nevada Mines Inc., the surviving corporation, and Barrick Goldstrike Mines Inc., the absorbed corporation shall be merged into a single corporation, in accordance with the applicable provisions of Colorado and Delaware law, by Goldstrike merging into Nevada, which shall be the surviving corporation, and which shall thereupon change its name to Barrick Goldstrike Mines Inc., a Colorado corporation.

2. Terms and Conditions/Effect of Merger. The terms and conditions of the merger and the mode for carrying them into effect are set forth in this Section 2 and elsewhere herein. Upon the merger becoming effective as provided in the applicable laws of the States of Colorado and Delaware:

(a) The constituent corporations shall be a single corporation, which shall be Nevada as the surviving corporation (but which shall change its name to Barrick Goldstrike Mines Inc., a Colorado corporation), and the separate existence of Goldstrike shall cease except to the extent provided by the laws of the States of Colorado and Delaware in the case of a corporation after its merger into another corporation.

(b) Nevada shall thereupon and thereafter possess all the rights, privileges, immunities and franchises, of a public as well as a private nature, of each of the constituent corporations; and all of the property, real, personal and mixed, and all debts due on whatever account, and all other choses in action, and every other interest of or belonging to or due to each of the constituent corporations shall be deemed to be transferred to and vested in Nevada without further act or deed; and the title to any real estate, or any interest therein, vested in either of the constituent corporations shall not revert or be in any way impaired by reason of the merger. Such transfer to and vesting in Nevada shall be deemed to occur by operation of law. Neither the rights of creditors nor any liens on the property of the constituent corporations shall be impaired by the merger.

3. Conversion of Shares. The manner and basis of exchanging the shares of the constituent corporations into shares of the surviving corporation are as follows:

(a) At the effective time of the merger, each share of the common stock of Goldstrike issued and outstanding immediately prior to the effective time of the merger shall be converted into and exchanged for four thousand (4,000) shares of the common stock of Nevada, which shares of common stock of the surviving corporation shall thereupon be issued and outstanding.

(b) At the effective time of the merger, each share of common stock of Nevada issued and outstanding immediately prior to the effective time of the merger shall be converted into and exchanged for Eighteen Thousand Three Hundred Seventy-Five Hundred Millions (.00018375) shares of the common stock of Exploration (said Exploration shares being owned by Goldstrike immediately prior to the merger).

(c) After the effective time of the merger, each holder of certificates for shares of common stock of the constituent corporations outstanding immediately prior to the effective time of the merger shall surrender them to the surviving corporation or to its duly appointed agent, in such manner as the surviving corporation shall legally require. On receipt of such certificates, the surviving corporation, in exchange for such certificates, shall issue certificates for shares of common stock in the surviving and parent corporations representing the number of shares of stock in each such corporation to which such holder is entitled as provided above.

(d) Holders of certificates of common stock of the constituent corporations issued prior to the effective time of the merger shall not be entitled to dividends payable on shares of stock in the surviving or parent corporation until such certificates have been surrendered and new certificates have been issued to such shareholders, as provided above. Thereafter, each such shareholder shall be entitled to receive any dividends on shares of stock represented by the newly issued certificates that may have been declared and paid between the effective time of the merger and the issuance of such new certificates.

(e) Until the certificates representing shares of the constituent corporations outstanding immediately prior to the effective time of the merger are surrendered and exchanged as provided herein, such certificates may be treated by the surviving and parent corporations for all corporate purposes as evidencing the ownership of the shares to which they are converted hereunder, as though said surrender and exchange had taken place.

4. Articles of Incorporation and Bylaws. The Articles of Incorporation of Nevada as existing and constituted immediately prior to the effective time of this merger shall be

and constitute the Articles of Incorporation of the surviving corporation, following the effective date of the merger, except that the following amendment is made as of the effective time of the merger:

Article I of the Articles of Incorporation of Barrick Nevada Mines Inc., originally organized under the name PANCANA INDUSTRIES, INC., is amended to read as follows:

ARTICLE I

The name of the corporation is: BARRICK GOLDSTRIKE MINES INC.

The Bylaws of Nevada as existing and constituted immediately prior to the effective time of merger shall be and constitute the bylaws of the surviving corporation.

5. Directors and Officers. The Board of Directors and members thereof and the officers of Nevada immediately prior to the effective time of this merger shall be and constitute the Board of Directors and the members thereof and the officers of the surviving corporation.

6. [Paragraph 6 of the Plan and Agreement of Merger, dealing with service of process on the Surviving Corporation within the State of Delaware has been intentionally omitted.]

7. Provisions of Survivor's Articles of Incorporation. The provisions or facts required to be set forth by the CCC in Articles of Incorporation of Colorado corporations, that

can be stated in the case of a merger and that are not otherwise stated herein are:

(a) The cumulative system of voting for directors shall not be allowed.

(b) There shall be no preemptive rights to purchase or acquire shares whatsoever.

8. Additional Duties of Officers and Directors of Absorbed Corporation. If at any time the surviving corporation shall consider or be advised that any further assignments or assurances in law or any things are necessary or desirable to vest in the surviving corporation the title to any property or rights of the absorbed corporation, the proper officers and directors of the absorbed corporation shall and will execute and make all such proper assignments and assurances and do all things necessary or proper to vest title in such property or rights in the surviving corporation, and otherwise to carry out the purpose of this Plan.

9. Necessary Approvals. Neither the merger nor any other provision of this Plan shall become effective or have any force or effect unless and until an officer of each corporation that is a party hereto has determined that with respect to each consent or approval such corporation is required to obtain either: (i) such consent or approval has been obtained, or (ii) it is not probable that the failure to obtain such consent or approval prior to the consummation of the merger will materially adversely affect such corporation. The filing of Articles of Merger with the Secretary of State of Colorado or the filing of the Plan or a Certificate of Merger with the Secretary of State of Delaware shall be deemed for all purposes whatsoever to conclusively prove that all such determinations have been made.

10. Effective Time. The effective time of this merger shall be the earliest time when all of the following events have occurred:

(a) The Plan has been adopted, approved, certified, executed and acknowledged by each of the constituent corporations in accordance with the laws under which it is formed;

(b) Articles of Merger setting forth the Plan and such other matters may be required by the CCC have been filed by the Secretary of State of Colorado; and

(c) Either the Plan or a Certificate of Merger in the form provided by the GCL shall have been filed with the Secretary of State of Delaware in the manner provided in the GCL.

11. Termination and Abandonment. At any time prior to the earlier of:

(a) The filing of Articles of Merger with the Secretary of State of Colorado; or

(b) The filing of the Plan or a Certificate of Merger with the Secretary of State of Delaware;

the merger may be terminated and abandoned by the Board of Directors of either constituent corporation without shareholder action, notwithstanding approval of the agreement by the stockholders of either or both of the constituent corporations.

12. Issuance of Shares of Parent Corporation. Upon the adoption of the Plan by the Board of Directors of and its execution by an officer of the parent corporation, the parent corporation will be deemed to have issued and hereby does issue Seven hundred thirty-five (735) shares of its authorized but previously unissued common stock to Goldstrike and by this instrument irrevocably authorizes, enables, empowers and directs Goldstrike and Nevada to transfer such shares, upon the consummation of the merger as provided herein. No further instrument, share certificate, document or authorization is required from the parent corporation to effect such transfers. Goldstrike shall promptly pay to parent corporation the sum of one hundred dollars United States currency (\$100.00) for each such share so issued.

13. Execution of Agreement. The Plan may be executed in any number of counterparts, and each such counterpart shall constitute an original.
