GENERAL INSTRUCTIONS

1. **Use of form** - Use only for assignment of record title interest in oil and gas leases. Do not use for assignments of working or royalty interests, operating agreements, or subleases. An assignment of record title may only cover lands in one lease. If more than one assignment is made out of a lease, file a separate instrument of transfer with each assignment.
2. **Filing and number of copies** - File three (3) completed and manually signed copies in appropriate land office. A \$25 nonrefundable filing fee must accompany assignment. File assignment within ninety (90) days after date of final execution.
3. **Effective date of assignment** - Assignment, if approved, takes effect on the first day of the month following the date of filing of all required papers.
4. **Overriding royalties or payments out of production** - Describe in an accompanying statement any overriding

royalties or payments out of production created by assignment but not set out therein. If payments out of production are reserved by assignor, outline in detail the amount, method of payment, and other pertinent terms.

5. **Effect of Assignment** - Approval of assignment of a definitely described portion of the leased lands creates separate leases. Assignee, upon approval of assignment, becomes lessee of the Government as to the assigned interest and is responsible for complying with all lease terms and conditions, including timely payment of annual rental and maintenance of any required bond; except in the case of assignment of undivided interests, royalties, and operating agreements.

6. A copy of the executed lease, out of which this assignment is made, should be made available to assignee by assignor.
