Page 2
Affidavit of Annual Assessment Work.

The labor, development and improvements were performed by the following companies under the direction of Cominco American Resources, Incorporated, Buckhorn Operations:

- 1.) Drilling Services Co. -- Reno, NV
- 2.) American Assay Laboratories -- Elko, NV
- 3.) Cominco American Resources Inc. -- Carlin, NV

The labor, development and improvements consisted of greater than 2000' of percussion drilling and ore-grade analysis of the recovered sample for the purpose of delineation of minable ore zones. Actual work was done on Dart claims 15, 16 and 18, Hall claim 15, and WH claim 12, during the period of September 27, 1988 and August 29, 1989, at a total expenditure in excess of \$14,700.00.

All of the aforementioned claims are contiguous, and work on any one claim or group of claims tends to develop all of the claims. The work was performed for the purpose of developing the mineral potential of the claims, and to maintain and hold such claims.

Dated this 23th day of October 1989.
