That all of said mining claims are owned or leased by ASARCO Incorporated, the mailing address for which is 510 East Plumb Lane, Reno, Nevada, 89502; that between September 1, 1988, and August 31, 1989, in excess of \$71,500.00 worth of work and improvements were done and performed for the benefit of the aforementioned claims. Work and improvements consisted of drilling of exploration holes by Eklund Drilling Company, Carlin, Nevada, 89822.

Said labor was performed and improvements made at the expense of ASARCO Incorporated for the benefit of each and all of said mining claims comprising said contiguous groups as part of a general plan of exploration, improvements and development, and they tend to explore, improve and develop each and all of said mining claims. The amount expended for and the value of said labor and improvements is more than One Hundred Dollars (\$100.00) for each of the mining claims and at least said amount was allocated to each of the mining claims. Said expenditure was made in good faith for the purpose of exploring, improving and developing said contiguous groups of mining claims, and was intended as annual labor and improvements for each and all of the above-described unpatented lode mining claims for the assessment year ending at 12:00 O'clock Meridian, September 1, 1989.
