PART B: CERTIFICATION AND REQUEST FOR APPROVAL

The assignor certifies an owner of an interest in the above designated lease that he/she hereby assigns to the above assignee(s) the rights specified above.

Assignee certifies as follows: (a) Assignee is a citizen of the United States, an association of such citizens, a municipality, or a corporation organized under the laws of the United States or of any State or territory thereof. For the assignment of NPR-A leases, assignee is a citizen, nation, or resident alien of the United States or association of such citizens, residents, aliens, or private, public, or municipal corporations; (b) Assignee is not considered a minor under the laws of the State in which the lands covered by this assignment are located; (c) Assignee's chargeable interests, direct and indirect, in either public domain or acquired lands, do not exceed 300,000 acres in oil and gas operations or 246,000 in oil and gas leases in the same State, or 300,000 acres in leases and 200,000 acres in options in each leasing District in Alaska; if this is an oil and gas lease issued in accordance with the Mineral Leasing Act of 1920 or 51,200 acres in any one State if this is a geothermal lease; and (d) All parties holding an interest in the assignment are otherwise in compliance with the regulations (43 CFR Group 3100 or 3200) and the authorizing Acts.

Assignee's signature to this assignment constitutes acceptance of all applicable terms, conditions, stipulations and reservations pertaining to the lease described herein.

For oil and gas assignments, the obligation to pay overriding royalties, payments out of production, carried interests, net profits interests, or such similar payments or interests stated herein, which, when added to overriding royalties or payments out of production or other similar interests or payments previously created, may be suspended by the Secretary at any time upon a determination that the owner constitutes a burden on lease operations in accordance with 43 CFR 3102.

For geothermal assignments, an overriding royalty may not be less than one-fourth (1/4) of one percent of the value of output, nor greater than 50 percent of the rate of royalty for the United States when this assignment is added to all previously created overriding royalties (43 CFR 3241).

certify that the statements made herein by me are true, complete, and correct to the best of my knowledge and belief and are made in good faith.
