22. There is a comparison of most, which is a statement concerning the 500,000 registered members of the Negro American Congress, that it is composed of 100,000 Negroes and 400,000 whites, and that the Negroes are 100,000 and the whites are 400,000. This is a statement which is not true. The Negro American Congress is a very small organization, and it is not possible for it to have 500,000 members. The statement is a lie, and it is a statement which is made by the Negro American Congress to deceive the public.

ARCHAEOLOGICAL STIPULATION

Antiquities and Objects of Historic Value -

To secure specific compliance with the stipulations under Sec. 2, paragraph (q) of the oil and gas lease form, the lessee shall, prior to operations, furnish to the Authorized Officer a certified statement that either no archaeological values exist or that they may exist on the leased lands to the best of the lessee's knowledge and belief and that they might be impaired by oil and gas operations. Such certified statement must be completed by a qualified archaeologist acceptable to the Authorized Officer.

If the lessee furnishes a statement that archaeological values may exist where the land is to be disturbed or occupied, the lessee will engage a qualified archaeologist, acceptable to the Authorized Officer, to survey and salvage, in advance of any operations, such archaeological values on the lands involved. The responsibility for the cost for the certificate, survey and salvage will be borne by the lessee, and such salvaged property shall remain the property of the lessor or the surface owner.
