MEMORANDUM OF MINING VENTURE AGREEMENT

NOTICE IS HEREBY GIVEN that under that certain Mining Venture Agreement ("Agreement") made and entered into effective as of the 24th day of May, 1989, ("effective date") by and between Golden Nevada Resources Inc., now known as Goldnev Resources Inc., a British Columbia corporation ("Goldnev") and Barrick Gold Exploration Inc. an Ohio corporation ("Barrick") (collectively the "Participants"), the Participants have agreed and do hereby agree to undertake mineral exploration, development and, mining of products from lands subject to the Agreement, including the real property and interests described in Part 1 of Exhibit A ("Properties"). The Agreement shall continue for 20 years from the effective date and for so long thereafter as Products are produced from the Properties, unless the Agreement is earlier terminated according to its terms.

This memorandum is executed for the purpose of affording notice of the existence of the Agreement and the terms and Provisions thereof, which terms and provisions are incorporated herein by reference for all purposes. This memorandum is not intended to alter or vary the terms of the Agreement. All capitalized words in this memorandum have the same meaning as

assigned to them in the Agreement. Some of the terms and provisions of the Agreement are hereby summarized as follows:

1. Goldnev, as its Initial Contribution, hereby contributes the Properties described in Part 1 of Exhibit A to the purposes of the Agreement. Barrick, as its Initial Contribution, agrees, subject to the terms of the Agreement, to contribute certain sums of money to the Venture which shall be used to fund Venture Operations.

2. The Participants shall have the following initial Participating Interests:

Goldnev	-	50%
Barrick	-	50%

3. A Participant's Participating Interest shall be changed in any of the following instances:

(i) Upon Barrick's failure to make its Initial Contribution required by Section 5.1 of the Agreement;

(ii) Upon an election by a Participant to contribute less to an adopted Program than the percentage reflected by its Participating Interest;

(iii) In the event of default by a Participant in making its agreed upon contribution to an adopted Program, followed by an election by the other Participant to invoke remedies permitted by Section 6.4 of the Agreement;

(iv) If Barrick elects to earn additional participating interests as permitted by Sections 5.3 and 5.4 of the Agreement;

(v) Transfer by a Participant of less than all of its Participating Interest in accordance with Article XV of the Agreement; or

(vi) Acquisition by a Participant of less than all of the Participating Interest of the other Participant, however arising.

4. Upon reduction of a Participant's Participating Interest to less than 10%, such Participant shall be deemed to have withdrawn from the Venture pursuant to Section 6.5 of the Agreement.

5. If a Participant defaults in making a contribution or cash call required by an approved Program and Budget, pursuant to Section 6.4(a) of the Agreement the nondefaulting Participant may advance the defaulted contribution on behalf of the defaulting Participant and treat the same, together with any accrued interest, as a demand loan bearing interest from the date of the advance at the rate provided in Section 10.3 of the Agreement. The failure to repay said loan upon demand shall be a default. Each Participant hereby grants to the other a lien upon its interest in the Properties and a security interest in its rights under the Agreement and in its Participating Interest in other Assets, and the proceeds therefrom, to secure any loan made under

said Section 6.4(a), including interest thereon, reasonable attorneys fees and all other reasonable costs and expenses incurred in enforcing such lien or security interest, or both. Each Participant hereby irrevocably appoints the other its attorney-in-fact to execute, file and record all instruments necessary to perfect or effectuate the provisions of Section 6.4 of the Agreement.

6. Except as otherwise expressly provided in the Agreement, each Participant shall have the right independently to engage in and receive full benefits from business activities, whether or not competitive with Operations, without consulting the other. The doctrines of "corporate opportunity" or "business opportunity" shall not be applied to any other activity, venture, or operation of either Participant, and, neither Participant shall have any obligation to the other with respect to any opportunity to acquire any property outside the Area of Interest at any time, or except as otherwise provided in paragraph 11 below, within the Area of Interest after the termination of this Agreement.

7. Nothing contained in the Agreement shall be deemed to constitute either Participant the partner of the other, nor, except as otherwise therein expressly provided, to constitute either Participant the agent or legal representative of the other, nor to create any fiduciary relationship between them. It is not the intention of the Participants to create, nor shall the Agreement be construed to create, any mining, commercial or other

partnership. Neither Participant shall have any authority to act for or to assume any obligation or responsibility on behalf of the other Participant, except as otherwise expressly provided therein. The rights, duties, obligations and liabilities of the Participants shall be several and not joint or collective. Each Participant shall be responsible only for its obligations as set out in the Agreement and shall be liable only for its share of the costs and expenses as provided therein, it being the express purpose and intention of the Participants that their ownership of the Assets and the rights acquired under the Agreement shall be as tenants in common.

8. The Participants hereby waive and release all rights of partition or sale in lieu thereof or other division of Assets, including any such rights provided by statute.

9. Except as otherwise provided in the Agreement, neither Participant shall permit or cause all or any part of its interest in the Assets to be sold, exchanged, encumbered, surrendered, abandoned, or otherwise terminated.

10. Each Participant shall take in kind or separately dispose of its share of all Products in accordance with its Participating Interest.

11. If any of the Properties are abandoned or surrendered pursuant to Section 14.1 of the Agreement, neither a Participant nor an Affiliate shall acquire any interest (or rights to acquire interests) in such Properties for a period of one year

following the date of such abandonment or surrender. If a Participant reacquires any Properties (or rights to acquire Properties) in violation of Section 14.2, the other Participant shall have the right, within 45 days after it has actual notice of such reacquisition, to have such Properties made subject to the Agreement.

12. Any unpatented mining claims located by or for a Participant or its Affiliate within the Area of Interest during the term of the Agreement shall be offered to the nonlocating Participant for inclusion in the Agreement as part of the Properties. If within 30 days after receiving notice of such location (except pursuant to an adopted Program) the nonlocating Participant gives notice to the locating Participant that it elects to bear a proportionate share of the cost of locating such claims equal to its Participating Interest, the new locations shall become subject to the terms and provisions of this Agreement. If the nonlocating Participant fails to give such notice within the 30 day period, it shall have no interest in the new locations and the new locations shall not become part of the Properties or otherwise subject to this Agreement.

13. Pursuant to Section 14.1 of the Agreement, the Management Committee may authorize the Manager to surrender or abandon part or all of the Properties. If the Management Committee authorizes any such surrender or abandonment over the objection of a Participant, the property to be abandoned or surrendered shall be assigned to the objecting Participant, by special

warranty deed and without cost to the surrendering Participant, and the abandoned or surrendered property shall cease to be part of the Properties.

14. A Participant may Transfer to any third party all or any part of its interest in or to the Agreement, any Participating Interest, or the Assets solely as provided in Article XV of the Agreement. All Transfers shall be subject to the following terms and conditions

(i) No transferee of all or any part of the interest of a Participant in the Agreement, any Participating Interest, or the Assets shall have the rights of a Participant unless and until the transferring Participant has provided to the other Participant notice of the Transfer, and the transferee, as of the effective date of the Transfer, has committed in writing to be bound by the Agreement to the same extent and nature as the transferring Participant;

(ii) No Transfer permitted by Article XV of the Agreement shall relieve the transferring Participant of its share of any liability, whether accruing before or after such Transfer, which arises out of Operations conducted prior to such Transfer;

(iii) In the event of a Transfer of less than all of a Participating Interest, the transferring Participant and its transferee shall act and be treated as one Participant;

(iv) No Participant shall Transfer any interest in the Agreement or the Assets except by Transfer of part or all of its Participating Interest;

(v) If the Transfer is the grant of a security interest by mortgage, deed of trust, pledge, lien or other encumbrance of any interest in the Agreement, any Participating Interest, or the Assets to secure a loan or other indebtedness of a Participant, such security interest shall be subordinate to the terms of the Agreement and the rights and interests of the other Participant thereunder. Upon any foreclosure or other enforcement of rights in the security interest, the acquiring third party shall be deemed to have assumed the position of the encumbering Participant with respect to the Agreement and the other Participant, and it shall comply with the terms and conditions applicable to a Transfer under Article XV of the Agreement;

(vi) If a sale or other commitment or disposition of Products or proceeds from the sale of Products by a Participant upon distribution to it pursuant to Article XI creates in a third party a security interest in Products or proceeds therefrom prior to such distribution, such sales, commitment or disposition shall be subject to the terms and conditions of Article XV of the Agreement.

15. Except as otherwise provided in paragraph 16 below, if a Participant desires to Transfer all or any part of its interest in the Agreement, any Participating Interest, or the

Assets, the other Participant shall have a preemptive right to acquire such interests by notifying the transferring Participant within 15 days after receiving notice of the intended Transfer that it elects to acquire the offered interest. If the other Participant fails to so elect within such period, the transferring Participant shall have 45 days thereafter to consummate the Transfer to a third party at a price and on terms no less favorable to the other Participant than those set forth in the notice. If the transferring Participant fails to consummate the Transfer to a third party within the period allowed, the preemptive right of the other Participant in such offered interest shall be deemed to be revived.

16. Paragraph 14 above shall not apply to the following:

(i) A Transfer by a Participant of all or any part of its Participating Interest to an Affiliate.

(ii) Incorporation of a Participant, or corporate merger, consolidation, amalgamation or reorganization of a Participant by which the surviving entity shall possess substantially all of the stock, or all of the property, rights and interests, and be subject to substantially all of the liabilities and obligations of that Participant.

(iii) A grant by a Participant of a security interest in any interest in the Agreement, any Participating

Interest or the Assets by mortgage, deed of trust, pledge, lien or other encumbrance.

(iv) A sale or other commitment or disposition of Products or proceeds from the sale of Products by a Participant upon distribution to it pursuant to Article XI.

17. The Agreement shall terminate upon the happening of any of the following events:

(i) The mutual consent of the Participants.

(ii) An election by a Participant to terminate the Agreement upon the failure of the Management Committee to adopt a Program and Budget for 3 months after the expiration of the latest adopted Program and Budget.

(iii) The deemed withdrawal of a Participant pursuant to Section 6.5 of the Agreement.

(iv) The withdrawal of a Participant pursuant to Section 12.3 of the Agreement.

(v) Expiration of the Agreement at the end of its term.

18. A copy of the Agreement is on file with the Manager whose address is
