NOTICE OF ABANDONMENT

NERCO Exploration Company, an Alaska Corporation, formerly known as Resource Associates of Alaska, (NEXCO), the record owner of the CC #79-112, unpatented lode mining claims, NMC. Nos. 372295-372328, situated in Sections 2 and 11, Township 22 North, Range 50 East, Eureka County, Nevada, hereby gives notice that said lode mining claims were abandoned by it in the following manner and at the following times.

By February 6, 1987, NEXCO and American Copper and Nickel Company, (ACNC), a joint venture partner on the CC Claims, determined that the parties needed to refile the claims. Accordingly, on that date ACNC, acting on behalf of the joint venture, simultaneously abandoned the CC Claims and relocated the tract as the Si Si unpatented lode mining claims #1-38, NMC #396998-397035.

Thereafter, for the assessment years 1987 - 1989, NEXCO and/or its partners in interest continued to perform annual assessment work upon or for the benefit of the Si Si lode mining claims and record and file proof of annual work on the claims with the Recorder of Eureka County, Nevada, and the United States Bureau of Land Management.
