and the second second second second second second

## Exhibit B

- Liens for taxes, assessments for other governmental charges which are not delinquent.
- Statutory liens of materialmen, mechanics, warehousemen, vendors, carriers or employees or other like liens arising in the ordinary course of business and securing obligations which are either not delinquent or the validity of which is being contested in good faith by the appropriate proceedings.
- Zoning restrictions, easements, leases and licenses, whether or not of public record.
- Rights of the public in and to any roads, highways or bodies of water that may cross or be located upon the Property.
- 5. Any state of facts an accurate survey or physical inspection of the Property would show.
- 6. Any right, title and interest in and to any of the minerals and mineral ores within or underlying the Property, including, without limitation, oil, natural gas and hydrocarbon substances, geothermal steam, brines and minerals in solution, and sand gravel and aggregates, and products derived therefrom, together with any rights of ingress and egress in, upon or over to make such use of the Property and the surface thereof as is necessary or useful in connection therewith, which may have been reserved by other parties at the time that the Property was conveyed to Grantor or which may have been conveyed by Grantor to any third parties.
