The Bank may resort to any security given by this Deed of Trust, or to any other security now existing or hereafter given to secure the payment of any of the indebtedness secured hereby, in whole or in part, and in such portions and in such order as may seem best to the Bank, in its sole discretion, and any such action shall not in any way be considered as a waiver of any of the rights, benefits or liens created by this Deed of Trust or granted by applicable law. In any foreclosure proceeding or private sale, the collateral may be sold in its entirety, and shall not be required hereunder to be sold parcel by parcel.

Paragraph 5.4. All costs, expenses and reasonable attorneys' fees (including fees of paralegals and allocated costs of staff counsel to the Bank) incurred by the Trustee or the Bank in protecting and enforcing their rights hereunder and in connection with any refinancing or restructuring of the Loans in the nature of a "work out", when supported by adequate

documentation shall constitute a demand obligation owing by the borrowers to the Bank and shall draw interest at the Default Rate from the date such expenses are incurred until paid, all of which shall constitute a portion of the indebtedness secured by this instrument.

Paragraph 5.5. Upon the occurrence of any of the Events of Default, and at all times thereafter during which such Event of Default is continuing, in addition to all other rights and remedies herein conferred, the Bank shall have all of the rights and remedies of a beneficiary under a deed of trust granted by applicable law, and the Bank shall have all the rights and remedies of an assignee and secured party granted by applicable law, including the Uniform Commercial Code, and shall, to the extent permitted by applicable law, have the right and power, but not the obligation, to enter upon and take immediate possession of the collateral or any part thereof, to exclude the Company therefrom, to take possession of the mining and milling operation thereon and the production from such operation, to remove any personal property included in the collateral, to hold, use, operate, manage and control the collateral, to make all such repairs, replacements, alterations, additions and improvements to the same as it may deem proper, to sell all of the severed and extracted minerals included in the same, to demand, collect and retain all earnings, proceeds and other sums due or to become due with respect to the collateral, accounting for and applying to the payment of the indebtedness only the net earnings arising therefrom after charging against the receipts therefrom all costs, expenses, charges, damages and losses incurred by reason thereof plus interest thereon at the Default Rate, as fully and effectually as if the Bank was the absolute owner of the collateral and without any liability to the Company in connection therewith.

Paragraph 5.6. Upon the occurrence of any Event of Default, or at any time thereafter during which such Event of Default is continuing, the Bank, in lieu of or in addition to exercising any other power hereby granted, may, without notice, demand, or declaration of default, which are hereby waived by the Company except as expressly provided herein or in the credit Agreement, proceed by an action or actions in equity or at law for the seizure and sale of the collateral or any part thereof, for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, for the foreclosure or sale of the collateral or any part thereof under the judgment or decree of any court of competent jurisdiction, for the appointment of a receiver pending any foreclosure hereunder or the sale of the collateral or any part thereof, or for the enforcement of any other appropriate equitable or legal remedy.

Paragraph 5.7. Upon the occurrence of any Event of Default, or at any time thereafter during which such Event of Default is continuing, the Bank may require the Company to assemble the personal property included in the collateral and make it available to the Bank at a place to be designated by the Bank which is reasonably covenant to all parties. If notice is required by applicable law, thirty (30) days prior written notice of the time and place of any public sale or of the time after which any private sale or any other intended disposition thereof is to be made shall be reasonable notice to the Company. No such notice is necessary if such property is perishable, threatens to decline speedily in value or is of a type customarily sold on a recognized market. If the Bank reasonably believes that the Securities Act of 1933, or any other State or Federal law, prohibits or restricts the customary manner of sale or distribution of any of such property, the Bank may sell such property privately, or in any other manner reasonably deemed advisable by the Bank, at such price or prices as the Bank determines in its reasonable discretion. The Company recognizes that such prohibition or restriction may cause such property to have less value than it otherwise would have and that, consequently, such sale or disposition by the Bank may result in a lower sales price than if the sale were otherwise held.

Paragraph 5.8. Upon the occurrence of any Event of Default, or at any time thereafter during which such Event of Default is continuing, the Bank, with or without entry, personally or by its agents or attorneys, insofar as applicable, shall have the power and authority to invoke the power of sale, which is hereby granted to the Trustee. The Bank shall give written notice to the Trustee of its election to invoke the power of sale. The Trustee shall give such notice to the Company of the Company's rights as is provided by law. The Trustee shall advertise the time and place of the sale of the real property included in the collateral in such manner as is required by law and shall mail copies of such notice of sale to the Company and other persons as prescribed by law. After the lapse of such time as may be required by law, the Trustee, without demand on the Company, shall sell the real property included in the collateral at public auction to the highest bidder for cash at the time and place and in one or more parcels as the Trustee may think best and in such order as the Trustee may determine. The Company may become a purchaser at such sale. The Bank may become a purchaser at any such sale and shall have the right to credit the amount of its bid to the amount due to it. It shall not be obligatory upon any purchaser at any such sale to see to the proper application of the purchase money. The Bank shall be entitled to a receiver for the real property included in the collateral upon or at any time after the election to invoke the power of sale, and shall be entitled to such receiver without notice and without regard to the solvency of the Company at the time of the application for

the appointment of such receiver, and without regard to the then value of the real property included in the collateral.

Paragraph 5.9. Subject to any right of redemption by the Company, any sale of the collateral, or any part thereof, pursuant to the provisions of this Section 5 will operate to divest all right, title, interest, claim and demand of the Company in and to the property sold. Nevertheless, if requested by the Trustee or the Bank so to do, the Company shall join in the execution, acknowledgment and delivery of all proper instruments necessary for the conveyance, assignment and transfer of the property so sold. Any purchaser at a foreclosure sale will receive immediate possession of the property purchased, and the Company agrees that if the Company retains possession of the property or any part thereof subsequent to such sale, the Company will be considered a tenant at sufferance of the purchaser, and will, if the Company remains in possession after demand to remove, be guilty of unlawful detainer and will be subject to eviction and removal, forcible or otherwise, with or without process of law, and all damages by reason thereof are hereby expressly waived.

Paragraph 5.10. The liens and rights created and granted hereby shall not affect or be affected by any other security taken by the Bank for the same debts or any part thereof. The Company shall have and assert no rights, under any statute or rule of law pertaining to the marshalling of assets, the exemption of homestead, the administration of estates of decedents, or other matters whatever, to defeat, reduce or affect the rights of the Bank under the terms of this Deed of Trust, to a sale of the collateral for the collection of the indebtedness or the right of the Bank, under the terms of this Deed of Trust, to the payment of the indebtedness out of the proceeds of the sale of the collateral in preference to every other person and claimant whatever.

Paragraph 5.11. The proceeds of any sale of the collateral or any part thereof made pursuant to this Section shall be applied as follows:

(a) First, to the payment of all out-of-pocket costs and expenses incident to the enforcement of this instrument, including, but not limited to, a reasonable compensation to the attorneys for the Bank;

(b) Second, to the payment of the indebtedness; and

(c) Third, the remainder, if any, to be paid to the

Company.

Paragraph 5.12. If an Event of Default shall occur hereunder, the Company will, upon request of the Bank, execute and deliver to such person or persons as may be designated by the Bank appropriate powers of attorney to act for and on behalf of the Company in all transactions with the Bureau of Indian Affairs, Bureau of Land Management of the Department of the Interior, or any other agency or department of the United States of America and the State of Nevada relating to any of the Collateral.

Paragraph 5.13. Should a conflict arise between the provisions of this Agreement and applicable Nevada law, Nevada law shall prevail.

SECTION 6: MISCELLANEOUS PROVISIONS

Paragraph 6.1. All options, powers, remedies and rights herein granted to the Bank are continuing, cumulative and not exclusive, and the failure to exercise any such option, power, remedy or right upon a particular default or breach, or upon any subsequent default or breach shall not be construed as waiving the right to exercise such option, power, remedy or right with respect to the indebtedness secured hereby after its due date. No exercise of the rights and powers herein granted and no delay or omission in the exercise of such rights and powers shall be held to exhaust the same or be construed as a waiver thereof, and every such right and power may be exercised at any time. Any and all covenants in this Deed of Trust may, from time to time, by instrument in writing signed by the Bank, be waived to such extent and in such manner as the Bank may desire, but no such waiver shall ever affect or impair the Bank's rights hereunder, except to the extent specifically stated in such written instrument. All changes to and modifications of this Deed of Trust must be in writing and signed by the Bank.

Paragraph 6.2. No release from the lien of this Deed of Trust on any part of the Collateral shall in any way alter, vary or diminish the force, effect or lien of this Deed of Trust on the balance of the Collateral.

Paragraph 6.3. If any provision hereof is invalid or unenforceable in any jurisdiction, the other provisions hereof shall remain in full force and effect in such jurisdiction, and the remaining provisions hereof shall be liberally construed in favor of the Bank in order to effectuate the provisions hereof, and the invalidity or unenforceability of any provisions hereof in any jurisdiction shall not affect the validity or enforceability of any such provision in any other jurisdiction. Any reference herein contained to the statutes or laws of a state in which no part of the collateral is situated shall be deemed to be inapplicable to, and not used in, the interpretation hereof.

Paragraph 6.4. This Deed of Trust is made with full substitution and subrogation of the Trustee or the Bank in and to all covenants and warranties by others heretofore given or made in respect of the collateral or any part thereof.

Paragraph 6.5. No provision of this Deed of Trust shall be construed to impose upon the Trustee or the Bank a duty to perform any of the covenants and obligations of the borrowers.

Paragraph 6.6. This Deed of Trust will be deemed to be, and may be enforced from time to time as, an assignment, chattel mortgage, contract or security agreement, and from time to time as any one or more thereof as is appropriate under applicable state law.

Paragraph 6.7. All recording references in Schedule A are to the real property records of the county in which the Lands are located. The property described in Schedule A covers all Minerals in and under the Lands described in Schedule A.

Paragraph 6.8. This Deed of Trust may be executed in several original counterparts and each counterpart shall be deemed to be an original for all purposes, and all counterparts shall together constitute but one and the same instrument.

Paragraph 6.9. All deliveries hereunder shall be deemed to have been duly made if actually delivered, or if mailed by registered or certified mail, postage prepaid, to the addresses set forth in the Credit Agreement. Each party may, by written notice so delivered to the other, change the address to which delivery shall thereafter be made.

Paragraph 6.10. The Bank may appoint a successor trustee at any time to execute the trust created by this Deed of Trust by filing for record in the office of the County Recorder of each county in which said property or some part thereof is situated, a substitution of trustee in conformance with applicable state law. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties, authority and title of the Trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.

Paragraph 6.11. The terms, provisions, covenants and conditions hereof shall bind and inure to the benefit of the respective successors and assigns of the Company, of the Trustee and of the Bank.

Paragraph 6.12. Time is of the essence of this Deed of Trust.

Paragraph 6.13. If suit or action is instituted, or if nonjudicial action is taken, to enforce or interpret any provision of this Deed of Trust, the prevailing party shall be entitled to recover from the other party its expenses incurred in connection therewith, including, without limitation, reasonable attorneys' fees and expenses (including fees of paralegals and allocated costs of staff counsel) whether incurred at trial, on appeal or review or in connection with nonjudicial action. IN WITNESS WHEREOF, the Company has caused this Deed of Trust to be duly executed by its duly authorized officers, all as of the day and year first above-written.
