According to the regulations contained in 43 CFR 3851.5, after issuance of the final certificate, annual assessment work is not required. Therefore, recordation of proof of labor or notice of intent to hold documents is not required on the above listed lode and millsite claims included in mineral patent applications N-53621 and N-53622.

If you have any questions, please call Elaine Lewis at (702) 785-6537.
