**RELEASE AND REASSIGNMENT
AND
ASSIGNMENT OF MINING PROPERTIES**

THE STATE OF NEVADA §
COUNTY OF EUREKA §

KNOW ALL MEN BY THESE PRESENTS THAT:

WHEREAS, on the 6th day of July, 1978, Mount Hope Mines, Inc., as "Owner", made, executed and delivered unto Exxon Corporation, as "Optionee", a Mining Property Lease and Purchase Option (herein called "Original Lease and Option") covering and applying to land and mining claims located in Eureka County, Nevada, as evidenced by a Memorandum of Mining Property Lease and Purchase Option recorded in Book 69, page 345 of the Records of Eureka County, Nevada, which Original Lease and Option is now in full force and effect and is made a part hereof by reference; and

WHEREAS, effective on the 25th day of June, 1986, Mount Hope Mines, Inc., et al., and Exxon Corporation amended said Original Lease and Option by an instrument entitled "Amendment to Mining Property Lease and Purchase Option" (herein called "First Amendment"); and

WHEREAS, said Original Lease and Option, as theretofore amended by the First Amendment, was further amended (effective on the 1st day of April 1987) by an instrument entitled "Second Amendment to Mining Property Lease and Purchase Option" (herein called "Second Amendment"); and

WHEREAS, the Original Lease and Option, as amended by the First Amendment and the Second Amendment, provides that Optionee may at any time deliver to Owner a Release and Reassignment of all of the properties and mining claims then covered by said Original Lease and Option, as amended, together with an Assignment of all of Optionee's right, title and interest in and to the properties and mining claims described in Exhibit "I" attached to the Second Amendment (said properties described in said Exhibit "I" being neighboring lands and mining claims owned, claimed, or held by Optionee which adjoin or are in the vicinity of the properties and mining claims covered by the Original Lease and Option, as amended), reserving unto Optionee the "Optionee Override Interest" hereinafter reserved and described in and to both: (a) the properties and mining claims then covered by the Original Lease and Option (as amended) and (b) the properties and mining claims covered by the aforementioned Assignment (all said properties and mining claims affected by the Optionee Override Interest being hereinafter collectively called at times the "Released and Assigned Properties"); and

WHEREAS, Optionee is by this document: (a) releasing and reassigning unto Owner the properties and mining claims covered by the Original Lease and Option, as amended, and (b) assigning unto Owner the properties and mining claims described in Exhibit "I" to the Second Amendment, reserving unto Optionee the Optionee Override Interest in the Released and Assigned Properties; and

WHEREAS, the Original Lease and Option, as amended, provided that Mount Hope Mines, Inc. would execute and acknowledge a copy of the Release and Reassignment and the

Assignment so as to evidence and acknowledge the ownership by Exxon Corporation of said Optionee Override Interest:

NOW THEREFORE, in consideration of the premises and for other valuable consideration received:

- (1) Exxon Corporation, a New Jersey corporation ("Optionee"), does hereby release and reassign unto Mount Hope Mines, Inc., a New York corporation ("Owner"), all of Optionee's right, title and interest in and to the properties and mining claims described in Exhibit "A" which is attached hereto and made a part hereof, RESERVING, however, unto Optionee the hereinafter described Optionee Override Interest on all minerals produced from said properties and mining claims; and
- (2) Exxon Corporation ("Optionee") does hereby assign and transfer unto Mount Hope Mines, Inc. all of Optionee's right, title and interest in and to the properties and mining claims described in Exhibit "I" which is attached hereto and made a part hereof, RESERVING, however, unto Optionee the hereinafter described Optionee Override Interest on all minerals produced from said properties and mining claims.

Exxon Corporation ("Optionee") hereby reserves and Mount Hope Mines, Inc. ("Owner") and its successors and assigns shall pay to Optionee the following Optionee Override Interest on all minerals produced from the properties and mining claims described in Exhibit "A" and in Exhibit "I" attached hereto and made a part hereof (all of said properties and mining claims affected by the Optionee Override Interest being, as noted above, collectively referred to at times as the "Released and Assigned Properties"):

A perpetual 1% royalty interest in and to and share of all ores, metals, minerals, and metallic substances of whatever nature or type including, but not limited to, all lead, zinc, copper, silver, gold, tin, cobalt, uranium, thorium, platinum, palladium, other platinum group metals, and molybdenum in any form in, on, upon, or under the Released and Assigned Properties, whether mineable or recoverable by underground mining, open pit mining, solution mining, or other methods of whatever kind or character. Said 1% royalty interest and share shall be delivered by Owner to Optionee in kind at the mine or (if applicable) at the tailgate of any mill, smelter, roaster or other refining facility operated by or for Owner, free of any expense whatsoever, including, but not limited to, expenses of transportation to any mill, smelter, roaster or refining facility operated by or for Owner and any mining, milling, smelting, roasting or further refining performed by or for Owner, or, at Optionee's election (said election to be a continuing election exercisable from time to time on a monthly basis), Owner will pay to Optionee (within sixty days after the month of production), 1% of the total amount of the total gross payments received by Owner from the purchaser for the ores mined and removed from the Released and Assigned Properties and sold by Owner either in their raw, crude form, or as concentrates (as below defined) or as refined products (as below defined), less the following deductions: (1) the deductions made by the purchaser for sampling, assays and penalties attributable to Optionee's 1% interest; (2) the costs of freight, transportation and haulage of concentrates to or for the purchaser away from the mill, smelter, roaster or other refining facility operated by or for Owner attributable to Optionee's 1% interest; and (3) any taxes attributable to Optionee's 1% interest. The term "concentrates" as used herein means the product derived from beneficiation of crude ores to upgrade one or more of the valuable constituents thereof through physical

separation from waste materials by mechanical means (including, but not limited to, leaching or solution mining). The term "refined products" as used herein means the product derived from smelting, roasting or further refining concentrates. The Optionee Override Interest shall also apply to any after-acquired title hereafter obtained by Owner or its successors or assigns, including, but not limited to, any mining claims staked or obtained by them or any of them covering all or any part of the land described in or affected by any of the Released and Assigned Properties. Optionee shall have the right of ingress and egress to the Released and Assigned Properties to receive and take delivery of and store (up to six months' royalty production) and remove any royalty concentrates or refined products taken in kind by Optionee as owner of the Optionee Override Interest, and the right to examine, observe and audit Owner's operations, calculations, books and records relative to the production of or calculation of ores, concentrates, refined products or payments owned by or owing to Optionee as the holder of such Optionee Override Interest.

If at any time or times prior to the expiration of twenty (20) years and six (6) months after the date of death of the last survivor of all persons living as of June 25, 1986, who are lineal descendants of Theodore W. Roosevelt (a deceased former President of the United States), Owner shall lease, sell or otherwise dispose of all or any part of the Released and Assigned Properties, Owner shall, within thirty (30) days after making such lease, sale or other disposition, give written notice (a "Disposition Notice") of such transaction to Optionee as holder of the Optionee Override Interest and shall provide to Optionee at the same time a full and complete copy of all documents used in the transaction together with an affidavit from Owner and the lessee, purchaser or assignee in such transaction attesting that the documents presented to Optionee contain and set forth and disclose a full, complete and accurate statement of each and every term, condition, covenant and consideration involved in such transaction, directly or indirectly. In each such instance, Optionee, as holder of the Optionee Override Interest, shall have the right, by giving notice of such election to Owner within sixty (60) days after receipt of a Disposition Notice, to exchange the Optionee Override Interest insofar (and only insofar) as it burdens and affects the particular portion of or interest in the Released and Assigned Properties (if less than all) which have been leased, sold or otherwise disposed of as set forth in such Disposition Notice in exchange for one third (1/3) of the total consideration and value received and retained by Owner in connection with such lease, sale or other disposition of such Released and Assigned Properties or portion thereof or interest therein (as applicable), including, without limiting the generality of the foregoing, one third (1/3) of any royalty, overriding royalty, production payment, mineral fee reverter estate, bonus, rental or other consideration or value retained or received or to be received by Owner incident to a lease of the Released and Assigned Properties or a portion thereof or interest therein. If Optionee does elect to exchange the Optionee Override Interest as to the portion of or interest in the Released and Assigned Properties involved in a lease, sale or other disposition in exchange for one third (1/3) of the total consideration and value received and retained by Owner in such transaction, appropriate assignments and transfers and other documents will be promptly prepared and executed by Optionee and Owner and Owner will pay over and account to Optionee for an appropriate share of any monetary consideration received by Owner, as promptly as practicable and in any event within sixty (60) days after Optionee gives notice to Owner of Optionee's exercise of such election.

Optionee will promptly after the execution and delivery of this Release and Reassignment and Assignment of Mining Properties provide to Owner copies of all documents then in

Optionee's possession which are deemed by Optionee in its good faith judgement to be material and relevant to any future exploration, development or operation of the Released and Assigned Properties and will, if requested by Owner, cooperate with the Owner to attempt to facilitate dealings between Owner and any applicable regulatory authorities with which Optionee has been dealing in connection with the Released and Assigned Properties. Optionee does not make and shall not make any representation or warranty to Owner concerning any such documents or as to the accuracy, completeness or reliability thereof. Optionee shall have no obligation or liability whatsoever to Owner for the substance, contents, accuracy or reliability of such documents or as a result of the furnishing of such documents or for failure to furnish other documents. Owner agrees that if it elects to rely on or take or omit to take any action in reliance upon any of such documents or other information provided by or obtained from Optionee, then Owner shall do so at its sole risk. Owner further agrees to indemnify and hold Optionee, its officers, directors, shareholders, employees, attorneys, agents, contractors, and other representatives harmless from and against all claims made by any person, corporation or other entity, including but not limited to Owner's directors, shareholders, employees, contractors, agents, representatives, successors or assigns (and including, but not limited to, any third parties to whom said documents are furnished by Owner), which claims are in any way connected with Optionee's furnishing of documents to Owner hereunder, the substance, contents, reliability or accuracy of any documents furnished by Optionee to Owner or Optionee's failure to furnish other documents to Owner. This obligation of indemnify shall include and apply to situations involving the concurrent negligence of Owner and Optionee and also to those situations involving the sole negligence of Optionee.

Optionee will, upon receipt of Owner's statement therefor, promptly reimburse Owner for one-third of the reasonable direct cost of the minimum annual assessment work required to be done in order to maintain in full force and effect the unpatented mining claims remaining subject to the Optionee Override Interest from time to time, after such time as Owner has provided to Optionee copies of sworn proofs of labor timely and properly filed with the Bureau of Land Management; provided however, that in no event shall Optionee's annual reimbursement amount for all such unpatented mining claims exceed the aggregate sum of Thirteen Thousand Three Hundred and No. 100 Dollars (\$13,300.00); and provided further that Optionee shall have the right to eliminate its obligation to repay Owner for one third of such annual assessment work obligations as to any particular mining claim or claims by quitclaiming to Owner the Optionee Override Interest in such particular mining claim or claims (and none other), in which event Optionee shall have no liability or obligation for the cost of any future work assessment obligations in connection with such particular mining claim or claims.

Witness execution hereof this 24th day of April, 1991.
