To Whom it may concern:

Nevada State Office of BLM, P. O. Box 12000 Reno, Nevada 89520

John E. Welsh, geologist and owner, 4780 Bonair Street Holladay, Utah 84117 being duly sworn hereby certifies that more than \$7,000 dollars of labor and improvements were expended as the annual assessment work on the Anchor project for the year ending September 1, 1991 on the following contiguous lode mining claims.

Claim Name	BLM NMC #	Eureka County Records		
		Book	Page	File #
Anchor 11-36	417853-417878	159	20-45	109298-323
Anchor 47-74	417889-417916	159	56-83	109334-361
DGC 1-16	563357-563372	199	321-336	563357-372

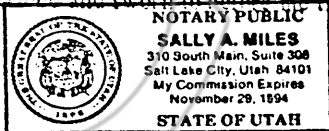

The 70 lode claims are located in the undesignated Devils Gate District.

Rio Algom spend more than \$3,740 in the assessment year on track backhoe work, reclaiming roads, trenches and drill sites. Reseeding was done on all disturbed areas. Geologists and geochemists of FMC Gold, Coeur Exploration, Ballyntyne Geochemistry and Homestake conducted field exploration activities and geochemical sampling costing over \$3,600. Hunter Mining Laboratory, Chemex Labs and Legend Metallurgical Laboratory analyses cost over \$1,500. Consultants Wm B. Roberts and Dave McKenzie of Denver, Colorado participated with owner Welsh in structural studies along the Roberts Mountain Thrust on Anchor Peak.

Notices of the annual assessment work required by the laws of the United States and/or the State of Nevada for the year 1990-1991 are posted on the Anchor claim block near the roads.
